District Goals

Clatskanie School District envisions a school system where a variety of pathways to academic and career success are available for all students; where adults consistently work in a collaborative school culture to improve student learning; where all educators willingly accept responsibility for the academic success of each student; and where all students become independent life-long learners confident in their ability to succeed in a global society following high school graduation.
Clatskanie School District is committed to developing graduates who are confident, considerate, and creative.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
