Speech/Language Pathologist	
Responsibilities	To screen, assess and evaluate students with possible speech and language disabilities. To provide appropriate intervention for students identified as having speech and language disorders.
Qualifications	1. Shall possess the necessary license required by the Colorado Department of Education or be endorsed in the appropriate areas accepted by the Colorado Department of Education in lieu of such license. 2. Master's degree in Speech-Communication, Speech/Language Pathology or Communication Disorders/Speech Sciences. 3. Previous experience preferred.
Skills, Experience, Other Requirements	1. Participate in the screening, evaluation and recommendation for placement of students in Speech/Language services. 2. Participate in child study teams and IEP meetings to provide expertise in the identification and assessment of students with Speech/Language disabilities. 3. Design, develop and implement learning activities to meet the identified needs of students placed in the program. Implement pre-post assessment procedures to determine progress of students in the program. 4. Provide written documentation/data collection for the purpose of reporting progress on IEP goals and objectives. 5. Collaborate with other members of the school and support staff to plan and implement instructional goals, objectives and progress reports. 6. Maintain all required records, forms and files prescribed by the program and those required by the BOCES/districts. 7. Serve as a resource to families and participate in Kindergarten Roundups, Interagency screenings and Community Fairs to assist in the identification of students with Speech/Language disabilities. 8. Contribute to the improvement of Special Education Programs by participating in specialized teams developed by the BOCES.
