Providing Comprehensive Services

Due to the wide variety of school law issues that we have faced over the years, we are able to offer legal services to Illinois school districts which meet all of their needs. We have handled every conceivable school law issue – collective bargaining, teacher dismissal, student discipline, FOIA/OMA, Board governance, special education – we have covered it all.

Expertise, Experience and Efficiency

Our attorneys possess expertise in all areas of school law. Due to this experience and our collaborative approach to serving school districts, we are able to meet our clients' legal needs with unparalleled efficiency. We do not have to “re-invent the wheel” every time an issue arises.

REGIONAL OFFICE OF EDUCATION
LASALLE, MARSHALL & PUTNAM

Christopher B. Dvorak - Regional Superintendent
Matthew Winchester - Asst. Regional Superintendent
119 West Madison Street, Room 102 • Ottawa, IL 61350
Telephone (815) 434-0780 • Fax (815) 434-2453

Dear Friend of Education,

The Regional Office of Education would like to thank you for your contributions to the youth of LaSalle, Marshall, and Putnam Counties. Approximately 19,000 students are educated in our schools. The work of all school personnel—bus drivers, aides, volunteers, teachers, school support staff, administrators, coaches, school board members—is important to successfully educate our students. The Regional Office of Education is here to serve you as we work together to best prepare our students. Please contact our office as needed. A listing of Regional Office staff and area of expertise is available on our website: www.roe35.org

We hope that this directory is of value to you in accessing teacher and school information as well as providing valuable business details and contacts. Through the generosity of the individuals and businesses that purchased advertisements, the 2021-2022 LaSalle, Marshall, and Putnam Counties School Directory is available to you at no cost. We encourage you to patronize these businesses for their support.

If you would like to advertise in next year's directory, please contact our office for details; Gianna Carlson (gcarlson@roe35.org) is responsible for directory ads. Funds raised from the directory support the recognition of those that serve our students. Due to COVID-19, we were unable to hold our annual Excellence in Education banquet. Instead, we honored school staff by sponsoring in-district recognition lunches, providing 35 educators with a $100 Amazon gift card, and honoring retirees with retirement awards. We showcased the work of our educators and students with a special production titled "The New Normal: A Pandemic School Year" available on YouTube at ROE 35 Presents or at this link: https://www.youtube.com/watch?v=_dfcf1UOMnc

Thank you for your consideration in assisting us to celebrate our region's outstanding education programming.

Sincerely,
Christopher B. Dvorark

Educate 35 was formed to meet the needs of LaSalle, Marshall, and Putnam students, families, and educators. In our first year, Educate 35 has raised over $23,000 from generous community donors, and that money has been hard at work. We have delivered over $5000 in gift cards from local restaurants and grocery stores to students and their families who are feeling the financial effects of the COVID19 pandemic. Additionally, Educate 35 gave 35 new Chromebooks to deserving students without dedicated devices for online learning at home. Altogether, we have served nearly 130 families, including 350 children.

As we gear up to go back to school, or log onto school, for a new year, online connectivity is more important than ever for our students and families are still dealing with challenges brought on by the pandemic. Educate 35 is here to serve students, families, and educators in new ways.
