

PABBIE & BULDA

What am I responsible for at my audition?

1. Sing the entire song(s): "Fixer Upper"
2. Memorize the lines listed below for Pabbie or Bulda.
3. Learn and perform the dance audition piece for LEADS!

The ambitious Prince of the Southern Isles is the overlooked thirteenth son of a king. Hans constantly strives to find a way to make good and stand out. He boasts an exceedingly charming facade that fools everyone - including Anna and, ideally, the audience! - into believing he's Prince Charming, when really, he's just a jerk. Cast an actor who can play both sides of this two-faced prince with relish as well as confidently sing the moments of harmony in "Love Is an Open Door."

AUDITION PIECE #1

(With Kristoff/ Anna/ Sven/ Hidden Folk)

(The Trolls village, after SONG: "Fixer Upper", ANNA suddenly falls to the ground.)

KRISTOFF: Anna! Help!

(PABBIE and BULDA rush to ANNA's side. They examine her and see ANNA clutching her heart.)

PABBIE: What is this? Another Magic strike?! Why did you not tell me?

KRISTOFF: I tried!

BULDA: Anna, there is ice in your heart, put there by your sister.

PABBIE: If not removed quickly, to solid ice will you freeze, forever.

KRISTOFF: So remove it!

BULDA: If it was her head, we could. But the heart does not so easily let go of its pain.

PABBIE: Only an act of true love can thaw a frozen heart.

ANNA: An act of true love?

KRISTOFF: Anna, we've got to get you back to Hans.

ANNA: Hans.

BULDA: But you don't have much time.

PABBIE: Yes, Move swiftly, Kristoff. Her life depends on it.

KRISTOFF: Thank you! Olaf, Sven, Come on!

SVEN: *(following KRISTOFF)* You got it!

KRISTOFF: Just stay out of sight, Olaf. No time to explain you.

OLAF: Okay!

(KRISTOFF helps ANNA exit. OLAF and SVEN follow.)

BULDA: Goodbye! Be careful!

HIDDEN FOLK: Goodbye/Take care, Kristoff!/Be safe! (*Exit*)

AUDITION PIECE #2

Anna, your life is in danger. There is ice in your heart, put there by your sister.

If not removed, to solid ice will you freeze, forever.

If it was her head, I could remove it readily.

But the heart does not so easily let go of its pain.

I'll do all I can.
