# Plan for Continued Improvement

Vertical alignment of curriculum K-12.

Understand this is a snapshot of one day testing for the 11th grade students.

## English

- Students use Albert.io as the primary platform for ACT English practice. Immediate feedback on Albert.io helps students understand mistakes and correct misconceptions in real time, plus practice standardized test question formats. Weekly assignments focus on ACT English and reading question types, including grammar, usage, punctuation, and rhetorical skills.
- Junior English classes will incorporate ACT preparedness which includes grammatical corrections, vocabulary development, nonfiction reading and analysis, TED Talk analysis, and regular practice with ACT-style questions.

## Math

- ACT prep material: Pre-ACT 8/9 & Pre-ACT secrets study guide, ACT Practice Tests. Jr's start now; Fr/So's in January.
- All students enrolled in a junior-level math class continue to complete an ACT prep assignment every week. Each week's prep consists of 4 to 5 related ACT questions. Students are required to work the problems out on paper as well as submit their answers through google classroom.

## Science

- Freshman through junior classes, students will take the pretest practice ACT on Albert. After taking the pretest, students have been exposed to ACT questions through bell ringers, practice problem sets, and teacher instruction spread throughout the year but focuses mostly in the weeks leading to the ACT. Before the final ACT, students will take the final practice ACT on Albert.

# BHS E-Learning Schedule & Plan

**BHS E-Learning Schedule**

| | |
|---|---|
| **Zero Period** | 7:30-8:01 AM (31 Mins) |
| **PSC** | 7:35-8:01 AM (26 Mins) |
| **1st Period** | 8:05-8:41 AM (36 Mins) |
| **2nd Period** | 8:45-9:21 AM (36 Mins) |
| **3rd Period** | 9:25-10:01 AM (36 Mins) |
| **4th Period** | 10:05-10:41 AM (36 Mins) |
| **Lunch** | 10:45-11:15 AM (30 Mins) |
| **5th Period** | 11:19-11:55 AM (36 Mins) |
| **6th Period** | 11:59-12:35 PM (36 Mins) |
| **7th Period** | 12:39-1:15 PM (36 Mins) |
| **8th Period** | 1:19-1:30 PM Check in; Open Google Meet (11 Mins) |

**BHS E-Learning Plan:**

- Our plan is for the teachers to “direct instruct” for approximately 10 minutes through Google Meets. Tell the students what the assignment is or what the expectations are for today. Let them work. With approximately 10 minutes left, the teacher opens their “meets” again for questions/concerns/final thoughts. The teacher will be available the whole time during their abbreviated class period schedule.
