Saving Babies and Souls for Jesus

NURSES NEEDED!

Volunteer & Paid Positions Available!
1 or more days a week!

Are you a nurse with a heart for the unborn and a passion for serving Jesus?

We are looking for a compassionate, passionate nurse who loves life and would be excited to join a team of like-minded individuals dedicated to saving babies and souls for Jesus!

Flexible Schedule:

- Monday through Friday, with mornings preferred, although afternoons are also an option.
- Saturday mornings may also be available.
- Just one day a week — you choose the day!
  If you're available for two or more days, we would love that too!

Qualifications and Responsibilities:

- Must have obstetric ultrasound experience, including both abdominal and transvaginal scans.
- Serve on our mobile ultrasound unit stationed near Planned Parenthood, with the support of a dedicated team from Proverbs 24:11 — an amazing evangelism-first pro-life ministry.
- Perform ultrasound scans, record measurements, and maintain electronic patient records using eKYROS software.

Training Provided:

- Training in the use of eKYROS software.
- Optional evangelism training for those who desire to grow in sharing their faith.

Every Life is a Gift

"Before I formed you in the womb I knew you."
— Jeremiah 1:5

This is a wonderful opportunity to use your nursing skills to serve the Lord, minister to women facing unexpected pregnancies, and make an eternal difference.

If you or someone you know feels called to this life-affirming ministry, we would love to hear from you!
Please reach out for more information, and feel free to share this opportunity with others.
