

Coffee County Board of Education

Request for Proposal

For

CHS Track Resurfacing

The Coffee County School District will be accepting proposals for resurfacing of Coffee High School's track based on the defined specifications on the Track Specification Sheet. All Proposals are to be based on the proposed specifications. The sealed proposals will be accepted until September 25, 2025 at 2:00 p.m. at the Coffee County Board of Education. The Coffee County Board of Education will award the proposal that meets the specifications and requirements of the project. The Board has the discretion to reject any proposals and re-advertise. This ad, along with the Track Specification Sheet, will be on our website in the Bids/RFPs link. Proposals are to be submitted to the Board Office at the Ashley-Slate House at 211 Gaskin Ave S, Douglas, GA 31533. Any questions or inquiries about the specifications or proposal process are to be directed to Michael Spikes(912-850-5018), Grady Hart(912-245-1758), and Steve Wight(912-850-4571).

CHS Track Resurfacing

Specification Sheet

Project Description

Remove existing surface from the 8-lane track, all runways, and high jump area. To be included in the base price.

Repair any issues with the asphalt surface. The cost is estimated to be quoted on a per-square-foot basis. Once the top coating is removed, it may be determined that no additional repairs are required. This would result in no added cost to the project.

Preparation of the asphalt surface includes cleaning, milling, and applying a new finish asphalt layer if necessary.

Apply a new rubber surface to the 8-lane track, all runways, and high jump area. Stripe all lines and markings to track and runways to meet all NFHS/GHSA rules and regulations

Apply a protective coating to protect the new track surface from UV Light.

Provide warranty on all related work and track resurfacing.

References

Must provide at least three references.

Company Profile

Provide a company profile/bio describing principal ownership, years in business, staffing structure, location, service capability related to future services, pictures of previous work, etc.

Proposed Timetable

Define a timetable for starting the project, time to complete, and final date of completion.
