This section shall not apply to actions to compel arbitration as provided in this Agreement or to enforce the award of an arbitrator.

ARTICLE XV - DURATION

Section 1. Term and Reopening Negotiations: This Agreement shall remain in full force and effect for a period commencing on its date of execution, through June 30, 2026. If either party desires to modify or amend this Agreement commencing at its expiration, it shall give written notice of such intent no later than 90 days prior to said expiration. Unless otherwise mutually agreed, the parties shall not commence negotiations more than 90 days prior to the expiration of this Agreement.

Section 2. Effect: This Agreement constitutes the full and complete Agreement between the School District and the Support personnel representing the employees. The provisions herein relating to terms and conditions of employment supersede any and all prior Agreements, resolutions, practices, School District policies, rules or regulations concerning terms and conditions of employment inconsistent with these provisions. Nothing in this Agreement shall be construed to obligate the School District to continue or discontinue existing or past practices, or prohibit the School District from exercising all management rights and prerogatives, except insofar as this exercise would be in express violation of any term or terms of this Agreement.

Section 3. Finality: Any matters relating to the terms and conditions of employment, whether or not referred to in this Agreement, shall not be open for negotiation during the term of this Agreement

Section 4. Severability: The provisions of this Agreement shall be severable, and if any provision thereof or the application of any such provision under any circumstances is held invalid, it shall not affect any other provisions of this Agreement or the application of any provision thereof.

ARTICLE XVI - PUBLIC OBLIGATION

The parties mutually recognize that their first obligation is to the public and that the right of students and residents of the School District to the continuous and uninterrupted operation of the school is of paramount importance.

The representatives agree, therefore, that during the term of this Agreement, neither the support personnel nor any individual employee shall engage in any strike. For purposes of this section, the term strike shall mean concerted action in failing to report to duty, the willful absence from one's position, sympathy strike, the stoppage of work, slowdown, or the abstinence in whole or in part from the full, faithful and proper performance of the duties of employment for the purposes of inducing, influencing or coercing a change in the conditions or compensation or the

rights, privileges, or obligations of employment. The parties agree that this article shall not be subject to grievance procedures.
