

Movies with CATHOLIC Themes

Selections:

Please take time to consider the movies on this list. There will be a wide array of movies to choose from. Each movie has been chosen because the theme of Jesus, His love for us and His Story is embedded in the movie. This doesn't mean it is overt. It can be in the movie subtly or symbolically. Keep an open mind and enjoy!

Children's Movies (Never too old...)

- The Lion King (animated or live-action)
- Cinderella (2015 - live action)
- Chronicles of Narnia
