CLASS JOBS: During the first few weeks of school, the students had the option to apply for a classroom job. They had to fill out a job application and tell me the qualities or traits they had that would make them good for that job. Here are the class job holders for the first quarter:

Snack Helper: **Samson**

Flag: **Esko & Jayden**

Pass Out Papers: **Mae**

Paper Filer: **Emma**

Line Leader: **Aspen**

Calendar: **William**

Substitute Helper: **Lucille**

Students will have the opportunity to apply for a job at the beginning of each quarter. Job holders will be rewarded at the end of the quarter if they complete all their job duties and responsibilities.

SPELLING - With these 2 shorter weeks, the 5th grade students WILL have a spelling unit, but we will use both weeks to practice. Spelling tests for unit D-2 will be on **Tuesday September 9.**

D.L.R – We are STILL doing DLR during this short week, so students still have homework each night this week. There will be NO HOMEWORK during the week of September 8 & 9. (next week is only a 2 day week for students!)

BOOK ORDERS:

I send home Scholastic Book orders at the beginning of each month. They are always due back one week after going home. You will find 1 book order in today's folder. You can send payment (payable to *Scholastic*) or order online using our class code: **HDG9X**

OTHER NOTES & REMINDERS:

- Students are encouraged to bring a **labeled water bottle** to school with them. Having their own water bottle minimizes their need to leave the room and decreases lines and times at the water fountains.
- I will be gone the rest of this week (**Thursday and Friday, Sept. 4th & 5th**). My own kids are showing livestock at the Palouse Empire Fair in Colfax. Miss Cassidy Henderson will be filling in for me while I am out of the building. I will **NOT** have consistent access to my email. Please direct any emails to Kelsey in the main office (ksutton@sd288.org) if you need to get your child a message on these days.
