

## **Vallecitos Elementary School Receives The Title I Academic Achievement Award!**

The state of California recently announced the top Title I schools in the state of California. There are over 6,000 Title I elementary, middle and high schools in the state. Vallecitos Elementary School won the Title I Academic Achievement Award, placing our school in the top 100 schools in the state.

The award is given to schools that demonstrated the greatest gains in student achievement over a two year period. Between 2011 and 2013, our students rose from a historical 50-55% of students school-wide proficient in reading and mathematics to nearly 70% of students demonstrating proficiency in reading and mathematics.

Our school's Academic Performance Indicator rose an incredible 55 points, from an 808 to an 863 during this two year period. Vallecitos staff will receive the award at a ceremony in Orange County on June 11th.

Congratulations to our students, staff and parents for their dedication and strong commitment to improving student learning.

A job well done!
