## In Folders

-March Lunch Menu

## Events

March 2nd-6th: Dr. Seuss Spirit Week

March 9th: Late Start

March 20th: Silverwood Reading Logs Due!

March 25th-26th: Parent Teacher Conferences

March 27th: In-Service; No School

March 30th-April 3rd: Spring Break

## Our Learning

**Reading Skills Block:** We will be focusing on the short /e/. We will also learn the new high frequency words 'be' and 'by'.

**Reading Module Block:** We are going to continue our new unit researching how living things depend on trees. We will work together to develop an informational writing piece.

**Math:** We are going to launch a new unit into a deep dive of addition this week.

**Social Studies:** We will finish our unit on the USA & communities this week.

## Teacher's Note

- Your students are becoming great readers. We are moving into more spelling and we will be having spelling tests regularly on Fridays. These are not spelling tests they need to study for. They are a simple review of what we are focusing on each week. I love watching them grow, and I am very proud of their hard work.
