2 pages—\$390

1 page—\$200

Half page—\$175

Quarter Page—\$135

YEARBOOK ANNOUNCEMENT

Greetings parents/guardians,

Time to start thinking about your yearbook! In order to purchase a yearbook, you must go online to the K-12 Payment Center available on the school website and pay online.

In order to register your child for school this year, you logged in to this system. You will use the same username and password to purchase a yearbook. You will go to the screen that you paid your student's school fees and select "available fees." This is where you will add a yearbook to your cart. If you do not put the name and the grade level of your student in the information box it will not let you add it to the cart. If you complete the payment process correctly, then you should receive a confirmation.

Please do not create a guest profile as you will not get a receipt for your book. Cash payments or other in person payments will not be accepted at any of the schools.

If you have any questions about the K-12 Payment Center, please contact Mrs. Emmalee Poston (eposton@fsd5.org) in the office. Like last year, the pricing will be in a tiered fashion. This means the price will go up the longer you wait to purchase one. Right now, yearbooks are available to purchase for \$55. Don't delay, as prices will rise throughout the year!

If you have any questions, please contact Jen Hodges at JHS.
