## ***Students return to school on Tuesday, January 4, 2022!***

*Thank you for sharing your children with us every day. We will miss seeing them over the break. Thank you to the families who have helped us by transporting their children to and from school on days when buses did not run. We know it was an inconvenience and we are truly appreciative. We are a strong community and I am thankful to be a part of it. I hope everyone's wishes come true as we end this year and look forward to all that the new year will bring.*

Thank you to the PTO for ensuring every student goes home with gingerbread from Freund's Farm today, unless the student could

not resist and ate it as soon as it was frosted and decorated. Thank you, PTO!

Every student also will have an ornament from the school with his or her first name and '21 written on it to mark this special year.

Pursuant to Public Act 21-116, the Department of Children and Families (DCF) has put together a list of behavioral health resources for parents who may have a child struggling with a behavioral health need. Click the following link:
