TK and Kindergarten

Mrs. Tinnin

Our Kindergarteners are continuing to build their reading and comprehension skills, with a focus on answering questions in complete sentences. TK students are putting the finishing touches on their habitat projects—they're looking fantastic!

Both Kindergarten and TK students have completed their math curriculum and are now reviewing concepts through fun and engaging games that reinforce what they've learned.

As we head into the final week of school, please remember to send your child with their backpack each day. We'll be cleaning out desks, and students will bring home all of their belongings, including their extra set of clothes.

Kindergarten Graduation is coming up on **Thursday, June 12 at 6:30 PM**. Please arrive 15 minutes early so your child has time to put on their cap. I will be sending memory books home that evening—please be sure to take yours before leaving!

It has been a true joy spending this year with your children. Wishing you all a wonderful summer—don't forget to keep reading!

First and Second Grade Explorers

Mrs. Mittge

We had a wonderful time at OMSI. I think the highlight for most students was riding the escalator and elevator!

Because we have finished our ELA curriculum we read and learned about American symbols and a surfboard stealing otter from California this week!

We were very excited to show off some of the projects we created this year at our first Evaline End-of-the-Year Showcase! These projects included: a native animal true/false flip card report, mini-books on national symbols, and pitch pocket instruments.

We still have a lot to do next week! Rest up! I'm looking forward to seeing all of the kids on Monday so we can finish the 2024-25 school year strong!

FAMILIES, PLEASE CONTINUE TO LOOK FOR AND RETURN OUR CLASS BOOKS SO I CAN HAVE A REPLENISHED CLASS LIBRARY READY FOR NEXT YEAR. THANK YOU!

I hope this summer is filled with many good books and happy memories for all of you. Please let me know if I can do ANYTHING to support you or your child in the future.
