- 2/13 Lunar New Year Celebrations @ CRS & LLE
- 2/16-2/20 No School - Winter Recess

January 30, 2026

## Whalemobile visits LLE

On Wednesday, January 28th, the Whalemobile visited our school and took students on an exciting lesson about Nile the humpback whale. Students were able to sit inside Nile while learning about the anatomy of a humpback whale. They also gathered around a world map to learn how the oceans connect, explore different ocean habitats, and discover how humpback whales live. Thank you to the PTO for bringing this engaging and educational experience to our students!

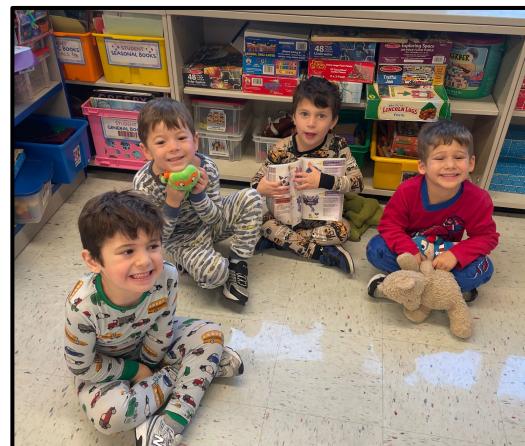

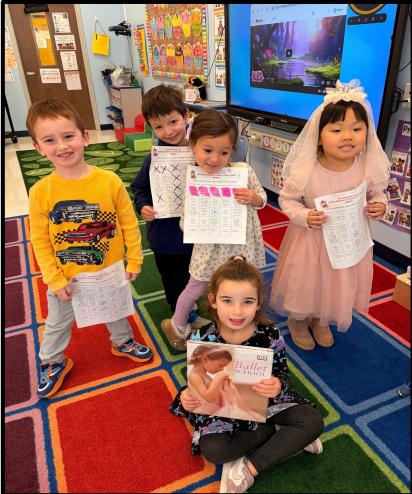

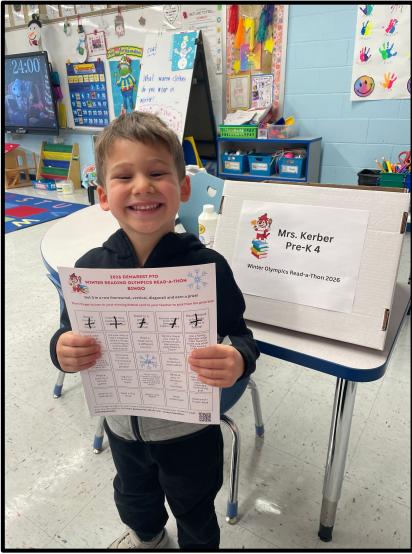

# Learning and Loving It!

## Preschool Participates in the Read-A-Thon

The preschoolers have been so excited to participate in this year's Read-A-Thon! Each class enjoyed decorating their class poster, participating in Bingo, and making bookmarks! Our littlest learners enjoyed a cozy pajama day and reading to their stuffed animals they brought into school!

Reading is so much fun, and the preschool students loved the opportunity to celebrate their love of reading! The highlight of the Read-A-Thon was playing bingo and winning special prizes from the Read-A-Thon prize box.

Dear CRS and LLE Families,

Another month is almost over, and as February approaches, we are excited about the many events ahead that will continue to enhance our students' educational experience. Over the next few months, students will engage in mindfulness activities, including an upcoming yoga session and technology-free/play days. We are especially looking forward to our *One School, One Book* initiative, which provides a wonderful opportunity for families to enjoy quality reading time together at home. More information about this annual event will be shared soon.

Please, please, please make sure that your child has a coat on during this cold weather. They should also have hats and gloves to help keep them warm as well. I have noticed some students, especially those who walk home, without a coat as that is how they came to school. Let's work together to keep our students safe, warm, and healthy.

Please read and click on the information where applicable.

- **Preschool Registration:** This is now open for domiciled Demarest residents. Please click [here](#) for more information.
- **Kindergarten Registration:** Please click [here](#) for more information.
