

PAPER

Free, 24/7 Tutoring On Your Phone or Tablet!

Ace Your Next Test or Assignment

Students, did you know that you have unlimited access to tutoring for any subject, any time day or night, from wherever you are?

-  Use the **Live Help** chat when you hit a stumbling block on your homework assignments, to work through practice tests, or when reviewing old assignments
-  Use **Essay Review** to get feedback on short paragraph book reports, multi paragraph essays or even your thesis to become a better writer

Paper Tutors Are Subject Experts!

No matter what questions you may have, Paper tutors are ready to help within seconds. When working with a Paper tutor, students should not expect to receive answers. Instead, tutors will ask guiding questions to get students thinking critically about what they know, what they've tried, where any confusion is, and how to best move forward.
