Please see the attached letter and opt out form. It is the choice of the family to either have their child take the assessments or opt out. If you would like to request an exemption for your child, please complete the enclosed Parent Exemption Form and send it back to me. If you do request this exemption (opt-out), your child’s teacher will have an alternative assignment for your child while other students are taking the assessments. If you should have any questions or concerns, please feel free to contact me.

Respectfully,

Kim
