Our Services

Educational Resources

We offer multiple educational services to supplement and support our local school districts.

Professional Development

We provide numerous opportunities for growth as professionals and as educators. Visit our website for details on our workshops and networking opportunities available to Region 8 members.

R8 Substitute Service

The Region 8 Substitute Service provides easy-to-use 24 hours/day access for teachers, substitutes and administrators in scheduling absences, securing the district-employed substitutes via phone and online access, and a complete history of reported absences.

Digitarium

Region 8 offers member schools the opportunity to reserve our portable Digitarium or StarLab. These units offer students an engaging and interactive earth space experience.

A voluntary regional cooperative formed by local school corporations.
