

<u>NOTE TO SCHOOLS/DISTRICTS</u>: Please assist students and families filling out this form. The form should be included as the top page of registration materials shared with families. Do not simply include this form in the registration packet, because if the student qualifies as residing in temporary housing, the **student is not required to submit proof of residency** and other required documents that may be part of the registration packet.

If <u>ANY box other than "In Permanent Housing" is checked</u>, the student/family should be immediately referred to the McKinney-Vento Liaison. In such cases, **proof of residency** and other documents normally needed for enrollment **are not required** and the **student is to be immediately enrolled**. <u>After</u> the student has been enrolled, the district/school must contact the previous district/school attended to request the student's educational records, including immunization records, and the enrolling district's LEA liaison must help the student get any other necessary documents or immunizations.

**NOTE TO SCHOOLS/DISTRICTS:** If the student is **NOT** living in permanent housing, please ensure that a Designation Form is completed.
