## **TES Principal's Report:**

TES Students:

*Back to School Night:* Troy Elementary hosted our annual *Back to School Night Meet & Greet*. Families were able to meet and greet the staff, find their desks and cubbies, while dropping off their school supplies. Overall, we had an amazing turnout of 90% of our students attending. Information was presented about staff, procedures, goals, curriculum, our standing in the state, School-wide Title, communications, and our breakfast/lunch programs. New this year was a parent orientation for kindergarten parents.

*Classrooms:* Students started their year with an all-school assembly and gathered around the main flagpole outside for the Pledge of Allegiance. Students have been practicing their safety drills, procedures, learning new routines, and expectations. Our PBIS focus this month will be "orderly and safe".

*Band:* Students will begin band in grades 5-6 starting after the fair week.

*Assessments:* Students and staff have started the first of the year assessments. The staff will analyze the data, and create our SMART goals during the month of September. From this data, "reading plans" that tie into our Literacy Plan will be developed with parent input.
