October 2022

Message from the Principal

September was a busy month at Nautilus. We learned about the Human Body, Asian and Greek Civilization, Microbiomes, Energy, Middle Ages, and lots of math facts. The Open House and Title One Night were a huge success. It was great to see all the students "Showing" off their school to families. I would also like to give a SHOUT OUT TO **UNISOURCE** – Thank you so very much for your generous donation. Nautilus will now be able to provide a water bottle filling station with filters. Moving into Fall we hope to see the weather cool down as we take some time to recharge over fall break. There is no school the week of October 10-15th. I wish you all a week filled with laughter and time spent together as a family. As always thank you for your continued support.

You will be able to view our monthly newsletter on our website. <https://nautilus.lhusd.org>

Tardies & Absence

Every minute counts at Nautilus towards students receiving a successful education. When a child comes in late, not only do they miss out on the instruction, but it

causes a distraction to the rest of the class. Tardies and Attendance do prevent students from missing out on awards. Thank you for having your student to school on time each day!

Title One

Nautilus is a Title One school because we meet the criteria based on the government for free and reduced lunch count. What that means is we are provided additional funds for our school. This year those funds are providing Title One Tutoring, the purchase of supplemental instructional resources, and was used to hire an Instructional Interventionist and Title One Paraprofessional to provide instructional support to our students.

Taste Of Havasu

This annual family event put on by the K-12 Foundation will be held October 19th at the Rodeo Grounds. All proceeds raised go towards their mission of giving back to the schools. Further information can be found here: <https://www.golakehasvasu.com/a-taste-of-havasus-October-2022>

Possible Nautilus Bus

There is a good possibility that Nautilus will be getting a bus route sometime after Fall break. The bus route will only service Desert Hills and Crystal Beach areas. If you are interested in having your child ride the bus or not sure if you would qualify, please call the Transportation Department at 928-505-6960.

Are You Considering Donating to Tax Credit?

Arizona tax laws allow a taxpayer a tax credit of up to \$400 if they elect to support school extracurricular activities. If you choose to donate tax credit to Nautilus Elementary, the monies may be applied to

no preference or an approved club or program. The approved clubs/programs at Nautilus are NEHS, Student Council, Homework Club, STEM, Kindness Club, Yearbook Club, and Field Trips.

NAUTILUS ELEMENTARY is offering a fun way to express your child's birthday! For \$1 a day or \$5.00 for the week, a personal birthday message will be displayed on our marquee outside the school entrance. Please call the front office or contact your teacher for more information.

From the Health Office

The Lake Havasu City Police Department would like to make the community aware of a new drug that has arrived in Arizona. Methamphetamine, which comes in a pill form and resembles "sweet-tart" candy, has become the latest trend among drug traffickers.

These candy-like pills come in different shapes and sizes and have various imprints that make it harder to distinguish between candy and an illegal drug. This drug is known as "Candy" on the street. The United States Drug Enforcement Administration reports that counterfeit pills are easy to purchase and have become widely available through social media.

Parents are encouraged to educate their children on the dangers of drugs and the risks of taking any pill that is not properly dispensed by a licensed doctor or pharmacist.
