## HOW IT WORKS:

- Raffle tickets are to be sold at \$5 per raffle ticket or one whole sheet (12 tickets) at \$50 per sheet. Two sheets of raffle tickets are included to get your student started. More sheets are available in the office, or can be printed at home by emailing [ParkviewPFC@gmail.com](mailto:ParkviewPFC@gmail.com) for a PDF form.
- Please have the purchaser fill out the needed information on the ticket. Without this information the prize will be forfeited if their ticket is pulled. Venmo is the preferred payment methods. Other forms of payment may be used but please contact organizers for that information.
- Completed/sold raffle tickets, record sheet and payments must be turned into your student's teacher or the office no later than [Friday, January 24th, 2025](#), in order to count towards your student's individual raffle ticket total. All sales should be recorded on the provided sales sheet.
- Please also turn in any unsold tickets at this time. Any tickets turned in after this date will still be entered into our raffle and count towards the class total, but will not be recorded into an individual student's total ticket sales.
- Raffle ticket sales will remain open until the event and are available for purchase at the door, however they will not count towards a student's total.
