## *Highlights from Letters to Power 88*

I have listened to Power 88 since it came on the air, I live about 2 hours north of Mobile so the signal was not always clear until you increased the power, so now I can listen anytime, my wife passed away a few weeks ago and she had a life insurance policy and I was praying about the tithe off policy and God kept leading me to Power 88 because of the damage to the station, anytime we were in a vehicle the radio was on to Christian music, I don't want or care for recognition, I pray that lives will be touched because of your radio station, I believe in the scripture where God says "store up your treasured in heaven where moth and rust can not corrupt" in loving memory of my wife.
