GO MUSTANGS!

SCHOOL AND DISTRICT POLICIES

A. ENROLLMENT

- a. All students at Deary Middle-Senior High School must be enrolled in classes for the full day. Exceptions will be granted only in cases of dual enrollment, home schooling, work release, or medical limitations.
- b. Classes will be assigned by the principal and the counselor the week before school starts. A “Registration Day” will be held where students can pick up their schedules, request class changes, and be assigned lockers. Students may make class changes only during the first week of classes.
- c. Twelfth grade students having necessary credits for graduation as determined by the counselor may, with the signed approval of parents, employer, and the principal, apply for release from school to work. Work release will be managed by an advisor who will maintain contact with the student and employer. Work release will be awarded credit if guidelines set by the advisor are met. Seniors may be teacher aides, but only once per day. Juniors may request to be assigned as an aide contingent upon approval from both the counselor and building principal.

B. **HONOR ROLL** – To be eligible for appointment to the honor roll, a student must carry four academic courses and earn a 3.50 or higher grade point average for the term. To be eligible for the Honorable Mention, a student must carry four academic courses and earn a 3.00 to 3.49 grade point average for the term.

C. **GRADING** – Letter grades will be as follows:

A - 90% and above

B - 80% to 89.9%

C - 70% to 79.9%

D - 60% to 69.9%

F - 59.9% and below

- a. Teachers will use the following codes in the *PowerSchool* gradebook for assignments.
 - i. **Late:** The work was submitted late and half credit is given at the teacher's discretion.
 - ii. **Incomplete:** The work was submitted partially complete.
 - iii. **Missing with “0”:** When marked as missing with a score of “0”, the assignment was not submitted and will no longer be accepted for credit.
 - iv. **Missing with “no score”:** When marked as missing with no score, the assignment will still be accepted by the teacher.
 - v. **Exempt:** An assignment does not count towards the students’ grade.

D. **COMMENCEMENT** – Students are invited to graduate at commencement exercises only in the following cases:

- a. The student has successfully completed the requirements for a Deary High School diploma;

- b. The student has transferred to Deary High School and fulfilled the remaining graduation requirements required at that time.
 - i. Valedictorian and Salutatorian must have at least 49 credits prior to the start of the second semester. Any student above a 4.00 could qualify for Valedictorian or Salutatorian, regardless of class ranking. Dual Credit classes receive a .5 bonus to the grade point earned. For example, a B in a DC class would be 3.5, rather than 3.0.
 - ii. The administration can consider the number of classes taken, higher levels of classes taken, total grade points, etc. to determine final class ranking in the case of ties.

E. **ATTENDANCE**

- a. When a student is absent from school, or from a class period, the parent will notify the school before 9:00 am.
- b. **90% Attendance** - School and State policy requires that a student be in attendance at least 90% of the time school is in session in order to receive credit for courses taken. Based on the adopted district calendar, a student may not miss more than nine (9) days in a semester, whether the absences are excused or unexcused. If a student misses more than nine (9) days in a semester, a written notice will be mailed to the parents informing them of possible loss of credit. If there are unusual circumstances making the absences unavoidable, such as protracted illness, the principal may waive the loss of credit. Absences due to school-related activities are exempt from the 90% attendance policy.
- c. **Excused Absences** - It is the student's responsibility to contact each teacher to arrange for make-up work. Time given for make-up work shall not exceed the number of days missed, except under special circumstances.
- d. **Unexcused Absences** - A student who is absent for reasons that do not qualify as excused, including suspension, will have no additional time to make up the missed work. All work missed must be turned in immediately upon their return.
- e. **Truancy** – As defined by Idaho Code #33-206, truancy or skipping school is defined as not being in attendance during the regular school day *without* the permission of a parent or guardian or what would be considered a legitimate reason for absence. The student will be deemed truant if the guardian has not excused the absence with a phone call or note within ± two (2) school days following return to school. If an adequate acceptable excuse is not provided within the required time frame, the following steps will be taken:
 - i. The absence will be unexcused. The work missed may not be made up and a “zero” will be recorded for classes missed.
 - ii. Offenses will result in being placed on the detention system.
 - iii. Further truanancies may be referred to the Latah County Truancy Court.
- f. **Closed Campus** - All students are required to check out through the office whenever they leave the school while in session, except during lunch. In the event a student has to be dismissed early from school, the office must have prior notice from parent or guardian.
 - i. **The campus is closed at lunch periods for grades 4-8.**

- g. **Tardy** - Tardiness disrupts the educational process. In addition, the following will take place:
- i. 1st and 2nd tardies: No disciplinary consequences
 - ii. 3rd tardy: 30-minute lunch detention
 - iii. 4th tardy: 30-minute lunch detention
 - iv. 5th tardy: Loss of open campus privilege for five (5) consecutive school days plus one (1) hour of detention.
 - v. 6th tardy: Loss of open campus privilege for twenty (20) consecutive school days plus two after school detentions.
 - vi. 7th tardy: Loss of open campus privilege for the rest of the semester. The Dean of Students will contact parent(s) for next steps.
- h. **Open Campus Violation:**
- i. If a student is placed on a closed campus disciplinary action but proceeds to leaves campus in violation, the following will occur:
 1. 1st offense: In School Suspension (1 Day)
 2. 2nd offense: Out of School Suspension (1 Day)
 3. 3rd offense: Three (3) days of Out-of-School Suspension and a mandatory meeting with parents and principal. Next steps will be decided during this meeting.
- i. **Semester Exam Exemption** - Students who have maintained the following grades and work completion rates in a semester may be exempt from final exams as follows:
- ii. A student who has maintained a 90% or above average and has an 85% completion rate for classwork may be exempt from the final exam in that course.
 - iii. A student who has maintained an 80% - 89% average and has a 90% completion rate for classwork may be exempt from the final exam in that course.
 - iv. A student who has maintained a 75% - 79% average and has a 100% completion rate for classwork may be exempt from the final exam in that course.
 - v. **Students may not fail** a class in either quarter and be exempt from the semester final for that class.
 - vi. A student who qualifies for the exam exemption may choose to take the final to better their grade without the risk of lowering their current grade.
 - vii. Grades to determine a student's need to take final exams must be posted two school days prior to the start of exams. For example, if exams begin Thursday, then grades must be finalized and posted by 1st hour Tuesday, regardless of what period the student has final exams.
 - viii. No new projects, tests, or assignments are to be assigned during the two days prior to final exams. Those days are for review.
 - ix. Seniors will not be exempt from Semester 2 Final Exams and are required to attend class for these tests.

F. STUDENT SAFETY AND PROPERTY

- a. **Insurance** - The School District does not provide medical insurance to automatically pay medical expenses when students are injured at school. This is the responsibility of the parents or legal guardians. The district carries only legal liability insurance. Applications for individual insurance policies are available at the office. The coverage for these policies ranges from coverage for school ground accidents to coverage for competitive sports. This insurance is provided by an independent carrier and is not sponsored in any way by the school district.
- b. **Valuables** - The school is not responsible for stolen items. The administration reminds parents and students that large amounts of money and other items of value should not be brought to school. When it is necessary to bring money to school for payment of bills, students are encouraged to take care of these payments at the office immediately upon entering the school building. It is advised that personal property be marked for identification purposes.
- c. **Lockers** - The office will assign lockers and locks to students. A fee of \$10.00 will be charged if the lock is lost or not returned. Students must receive permission from the principal before they can change locker assignments. Lockers are the property of the school and may be searched when warranted. Unannounced searches may be conducted during the year. These lockers are considered public, not private.
- d. **Searches** – Lockers are the property of the school and may be searched when warranted. Unannounced searches of lockers and any other materials on school property may be conducted at any time during the year. Searches may include the use of police dogs.
- e. **Firearms** - The Whitepine Joint School District #288 has a “zero tolerance” for students who bring firearms to school. Possession and/or use of firearms which include but are not limited to, pistols, revolvers, and rifles, at school or at any school-sponsored activity without prior permission of school officials, will result in expulsion from school for a period of one year (see Idaho Code 18-3302D).
 - i. The district will not admit students who have been expelled from another school district for a violation of the Gun-Free School Act until the student has completed the expulsion for not less than a year. As with all suspensions and expulsions, due process hearing rights will be followed.
- f. **Fire Drills/Lock Down Drills** - It is important that each student and teacher be thoroughly familiar with the emergency plan of the school.

G. STUDENT CONDUCT

- a. **Discipline Policy** - The main focus of this policy is directed towards students who willfully disregard school rules or defy instructions by teachers or other adult supervisors. All students begin each semester with a “clean slate.” The teacher will set up reasonable rules for acceptable behavior in the classroom and inform students of these rules. The following offenses will automatically result in the placing of a student on the discipline policy:
 - i. Disrespect or threats to teachers or fellow students;
 - ii. Defacing or destruction of school property. (This will also require payment from student for necessary repair);
 - iii. Willful disobedience, profanity, or vulgarity;
 - iv. Disorderly conduct in classrooms, halls or lunchroom;
 - v. Other offenses as determined by staff, administration, or students

- b. The following will result in an automatic suspension of one (1) to five (5) days and/or drug evaluation before admittance back into school (and notification to law enforcement if appropriate):
 - i. Use or possession of tobacco on school grounds or at school activities;
 - ii. Selling, possessing, transporting, or being under the influence of a narcotic or dangerous drug including, but not limited to, marijuana, LSD, heroin, and barbiturates (not prescribed by a licensed physician), or non-narcotic intoxicants such as glue, cough medicine, gas, or alcohol;
 - iii. Use or possession of alcohol on school grounds or at school activities;
 - iv. Vaping and/or possession of vape devices;
 - v. Fighting (including assaulting other students or school personnel);
 - vi. Theft;
 - vii. Other offenses as determined by staff, administration.
- c. A Discipline Record is maintained in the main office. When a teacher reports a student, the student's discipline history for that quarter is checked, and the resulting consequence of the infraction is recorded.
- d. Any appeal to the disciplinary action must be made prior to the scheduled detention, to avoid additional consequences.
- e. **Consequences** - Detention sessions will take place, when needed, from 12:00-12:30 every afternoon that school is in session. After school detention will take place, when needed, from 3:20-4:20 every afternoon that school is in session. Students will be assigned to detention on the next available session following the day of notification. Rescheduling can be arranged by the Dean of Students at their discretion.
 - i. Students on detention will be given specific instructions by the assigned supervisor. Students who are tardy, who otherwise fail to attend, or who do not follow detention room rules, automatically move to the next level of consequences.
- f. **Academic Dishonesty:** Academic dishonesty, including but not limited to, plagiarism, cheating, use of non-authorized electronic devices, stealing academic work, will not be tolerated. If academic dishonesty is detected, teachers will confiscate the evidence, document the circumstances and submit a report to the Dean of Students. The following steps will occur when a student has committed this infraction:
 - i. The student will receive "zero" credit for their work.
 - ii. The student will not be allowed to make up the assignment by any method.
 - iii. The student will be placed on discipline policy. The principal may skip steps on discipline policy depending on the severity of the infraction.
- g. **Discipline Infractions:** These are cumulative, regardless of teacher. Levels may be skipped when necessary, or reduced when multiple infractions occur in a single day. Parents will be notified by mail.
 - i. 1st Infraction: 30 minutes' lunch detention
 - ii. 2nd Infraction: 60 minutes' after school detention
 - iii. 3rd Infraction: 1-day suspension (in-school or out-of-school based on infraction)
 - iv. 4th Infraction: 3-day suspension
 - v. 5th Infraction: 3-5-day suspension

- h. **Suspension Policy** – The principal may suspend students from school for flagrant misconduct pending a satisfactory adjustment with the parents. Notice of such suspension, stating the cause, must be sent to the parents; and the superintendent’s office shall be immediately notified. Due process shall be assured to the student. A suspended student loses credit for all classwork that is due during an out of school suspension, including in-class work and assessments. A student who is serving an in-school suspension, and who works diligently on school work, will be allowed to turn work in for half credit.
- i. **Expulsion Policy** - In cases of repeated or extreme misconduct, the Whitepine School District will be asked to expel the student for a period of time or indefinitely, according to Whitepine School District Policy # 3340. In all cases, due process will occur.
- j. **Dress Code** - In accordance with Policy #3255, student attire must not detract from the educational process. If for any reason a staff member finds a piece of clothing in violation of the dress code , the student will be discreetly referred to the Office as soon as possible. Students violating this policy will be required to change clothes if necessary and face possible disciplinary infraction if appropriate. Each violation thereafter will result in additional disciplinary action by the Dean of Students or Principal.
 - i. **Inappropriate Content for Clothing**
 1. Obscenities or vulgarities in words or pictures.
 2. Drug or alcohol references.
 3. Harassing or biased words or pictures related to race, religion, gender, national origin, or sexual orientation.
 - ii. **Appropriateness of Attire**
 1. Clothing must be clean and in good repair.
 2. Underwear and undergarments should not be visible (ex. boxer shorts, bras, panties, etc.).
 3. Midriffs (abdomens or lower backs) should not be visible.
 4. Tube tops, halter tops, and single-strap tops are not permitted.
 5. Spaghetti strap tops should be worn with another shirt.
 6. Shirts that are sheer and/or expose the torso (without another shirt worn under them) are not to be worn.
 7. Shorts, “skorts” and skirts must extend to mid-thigh or longer when standing.
 8. No face coverings – partial or total, including costumes, unless allowed for health considerations or religious practices.
 - iii. **Additional Requirements**
 1. Footwear must be worn at all times.
 2. Students may not wear ballcaps, hats, sunglasses, hoods, or stocking caps that cover their ears while in the building unless allowed for religious practices.
 3. Long coats or trench coats are not allowed, and must be left in the coat rooms or in the student lockers.
 4. Backpacks will not be allowed in the classrooms. They must be left in the coat rooms or in the student lockers.

iv. Procedures for Dress Code Violations

1. The student will be discreetly referred to the Office as soon as possible.
 2. The administrator will explain the inappropriateness of the student's attire.
 3. The parent/guardian will be contacted, and the violation will be explained.
 4. The student will be allowed to change clothes if clothing is available.
 5. The student will not be permitted to return to class until the inappropriateness is remedied.
- k. **Initiation** - No "initiations" are permitted.
- l. **Loitering** - Non-students or suspended students are not permitted to loiter on school grounds.
- m. **Cafeteria Conduct** - It is important that all students take responsibility for an orderly procession to the cafeteria and for following the rules and regulations as are posted in the kitchen or otherwise made known by the head cook. Proper line etiquette will be followed by all students and violations will not be tolerated.
- n. **School Bus Regulations** - School bus drivers will set up and inform riders of the rules to be followed. Failure to follow the rules will result in disciplinary action taken by the driver and/or principal. Students representing the school in any activity where transportation is involved will be required to ride the vehicle provided. Exceptions to this rule will apply only when parents request their child to ride with them. Direct contact by the parent must be made with the advisor or the principal before this exception will be allowed.
- i. Food on the bus may be allowed at the discretion of each advisor and the bus driver. However, the bus must be clean when the group returns to the school. Students should clean their own seating area.
 - ii. The parent must make prior arrangements with the principal if the student is to return with someone other than the bus driver or the parent.
 - iii. The bus driver is in charge. Riders will follow the driver's directions.
 - iv. Any violation of the above may cause a student to be placed on the disciplinary policy and/or lose bus privileges.
- o. **Public Display of Affection** – Excessive display of affection (generally defined as anything more than holding hands) may be embarrassing to others. Students whose behavior at school or activities is considered inappropriate will be advised in private to avoid embarrassment. Continued inappropriate behavior will be considered as a disciplinary infraction.

H. ZERO TOLERANCE POLICY

- a. There are some violations which are so disruptive and which cause such a high degree of danger that a zero tolerance policy has been adopted. Whitepine School District #288 will not tolerate the possession, sale, or use of weapons or illegal drugs, or threatening to kill another student or staff member, or to cause major destruction to the school. All violations in these categories will result in automatic suspension. There will be no exceptions, even for a first offense. Possession and/or use of firearms which include, but are not limited to, pistols, revolvers, and rifles at school or at any school sponsored

activity will result in expulsion from school for a period of not less than one year. (See I.C. 18-3302D).

- b. If a student threatens to kill another student or staff member or to cause major destruction to the school, the student *may* be referred to the Board of Trustees with recommendation for expulsion. A report *may* be filed with the local law enforcement. (All Special Education laws will be followed for those students in Special Education.)
 - i. At the discretion of the Principal, all the above descriptions of misconduct are subject to being reported to the county Sheriff for prosecution.

I. STUDENT SERVICES

- a. **Student Government** - The Student Council is made up of students from each class that are interested in participating. The function of the student council is to set goals for the school year, determine the activities the student body will support.
- b. **School Parties and Dances** - Clubs and organizations sponsoring parties or dances must have clearance from the Student Council and the Principal's office. All High School parties and dances will end no later than 12:00 A.M., (with the exception of the formal dances on principal's approval.) The school dances and parties will be limited to Deary students in general. However, a student may invite a guest who is not enrolled by obtaining a guest pass from the Principal. This should be done at least 24 hours before the activity. Any student extending an invitation is responsible for the conduct of his or her guest. Also, upon approval of the Principal, the sponsoring club or organization may invite one other high school student body or class to a dance or party. Once students leave, they will not be allowed to re-enter unless they have secured special permission to leave and re-enter from the advisor. In addition to the regular advisor, at least one additional supervisor will be present.
- c. **Textbooks** - Textbooks, materials, and equipment needed for student use are supplied by the Whitepine School District, paid for by its patrons, and issued by the teacher. As soon as texts and materials are issued, the responsibility for their safekeeping becomes the student's. Loss or damage will result in an assessment sufficient to repair or replace the article.
- d. **Visitors** - Students are not allowed to bring visitors to school. Parents are always welcome, but all visitors must check in at the office and wear a Visitor Badge while on the school grounds.
- e. **Telephone** - The school office telephones are for business purposes only. Students are to use the office telephone only in cases of illness, emergencies, or school-related business.

- g. **Vending Machines** - Vending machines are to be used only in the morning before school, during lunch hour, or after school. They are not to be used during or between classes. If the machine malfunctions, contact the office. Do not tilt or abuse the machine or physical injury may result from a falling machine. Students may have beverages only in designated areas.

 - i. Seniors and juniors will be allowed to reserve a parking space throughout the current school year for a fee of \$10.
- i. **Parking Violation** - Students that do not follow the guidelines for parking will be subject to penalties including, but not limited to temporary loss of privilege and/or permanent loss of privilege. A violation is parking in a reserved spot, parking in a staff lot, and unsafe conduct. (Other acts may be considered based on individual situations.) Violations will be counted per semester and will result in the following consequences:
 - i. 1st Violation - Warning (student will be asked to move their vehicle)

 - iv. 4th Violation - Loss of parking privilege for remaining Semester beginning the next school day (student will be asked to move their vehicle for the remainder of that day)
- j. **School Nurse** – A registered nurse, contracted with the district, does routine check-ups for vision, hearing, and spine curvature for all students. The school nurse does not replace the family doctor and any health concerns should be discussed with the primary doctor.
- k. **Outside Services** - The Whitepine School District offers a variety of services to our students including health services through the Latah County Health Department, Drug and Alcohol Counseling through the Port of Hope, and other services as they are made available to us.
