

**REBUL Academy
COVID-19 Amended Policy
August 25, 2021**

A COVID-19 Isolation Order was issued by the Mississippi State Department of Health. The REBUL Academy School Board has amended the COVID-19 guidelines to meet the requirements of the order.

All persons, including fully vaccinated individuals, infected with COVID-19 must remain isolated for 10 days from onset, or 10 days from the date of a positive test for those who are asymptomatic.

Example: infected = 10 day isolation - if there is a positive test in the home during the isolation period, the 10 day isolation would begin again. 10 day isolation plus a positive case on day 5 of isolation would extend the isolation to a total of 15 days.

A negative test is not required to end isolation at the end of the 10 days, but you must be fever free for 24 hours.

Parents must notify REBUL Academy when there are COVID-19 issues in the home.

Please monitor your child/children for colds and sinus issues since these tend to be some of the first signs of COVID-19 infection. Test your child/children upon initial symptoms so we can keep the isolation times to a minimum.

Working together can make it possible to have a good school year.

**Thank you,
Darren Bridgers, President
Judy Bailey, Vice-President
Leigh Anne Cade, Secretary
Elaine McLemore, Member
Scott Morea, Member
Andrea Flanagan, Member**
