Behavior

**Parents: Recently we have had an
increase in behavioral issues in the
classroom. We are reaching out to you
to request your assistance in improving
behavior. It is important that your child
understands the need to follow our
school rules. Please remind your
student that classroom disruptions
hinder the educational process of not
only themselves but their classmates
as well. If the behavior does not
improve and we continue to have
incidents, office referrals will be made
and attending any school functions
could be prohibited.**
