# GOOGLE CLASSROOM
How To Turn Off Student Comments

If students are misusing the Stream section of your Google Classroom, you can turn off their ability to comment.

Note: You will have to change this setting in each individual Google Classroom.

☰ GOOGLE CLASSROOM ⚙ ⠿ D
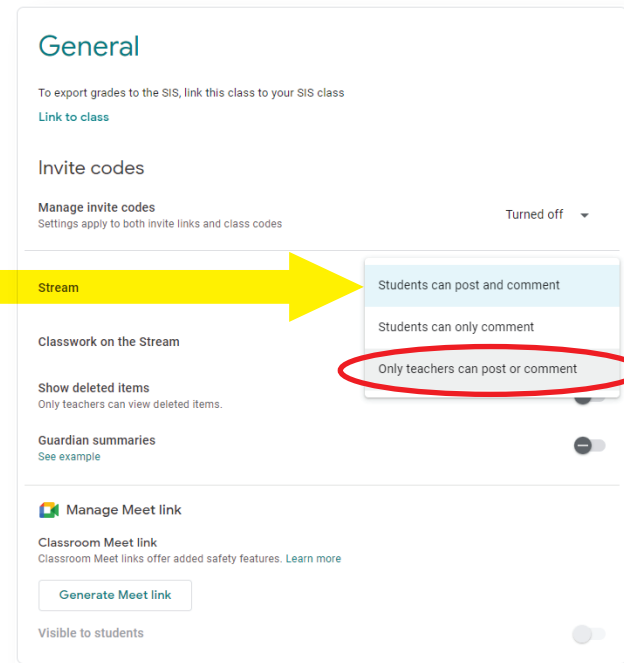

Stream   Classwork   People   Grades

1. Click the **Gear Icon** in the upper right corner.

This is where you change all Settings for your Google Classroom.

2. In the Settings window, scroll down to **General**.

General

To export grades to the SIS, link this class to your SIS class
Link to class

Invite codes

Manage invite codes
Settings apply to both invite links and class codes   Turned off ▾

Stream   Students can post and comment ▾

Classwork on the Stream   Show condens... ...ications ▾

Show deleted items
Only teachers can view deleted items.   ⊖

Guardian summaries
See example   ⊖

📹 Manage Meet link

Classroom Meet link
Classroom Meet links offer added safety features. Learn more

    Generate Meet link

Visible to students   ⚪
