FIRE DRILLS

Fire drills will be scheduled by the Center Director each month during the school year. However, pursuant to RSA 189:64, at least four (4) such drills shall be all-hazard response drills, and at least one (1) of those must test emergency response to an armed assailant. The armed assailant drill may be discussion based.

The purpose of a fire drill is to train students, under staff direction, to move safely, quickly, and quietly from any location within the building to an assigned evacuation area outside.

Records of such drills shall be kept in accordance with the Emergency Response Plan, Board policy EG, and administrative procedure EH-B.
