

MOUNTAIN VISTA  
K-8 School

# FAST FACTS

1

It is our mission to expand expectations by providing an innovative and boundless educational environment that develops adventurous learners and responsible citizens.

2

Mt. Vista K-8 School has exceptional educators including two National Board Certified Teachers. Our educators continue to learn, grow, and support the teaching profession.

3

Support from the Oracle Schools Foundation and Quality First allow us to provide tuition-free, early-childhood education to children in our community.

4

Our M&O Override continued by voters in 2023 supports full-day kindergarten and special programs such as PE, Music, and Tech Academy for all students.

5

New for the 2024-2025 school year, ALL Mt. Vista K-8 School students receive free breakfast and lunch each school day!
