## **What a Power 88 listener wrote shortly after Power 88 went on the air.**

In the spring of 1995 God began to work on me. One of the big things He did was to break my radio in a very funny way. In the witness of many my radio in my car would only play Christian radio stations for a span of several months. (People still talk about it!) I loved music and hated silence and had never heard contemporary Christian music. I was in fact very ANTI-Christian! But rather than listen to silence in my car (which I had to be in allot for my work), I listened to the only Christian radio station that was 'cool'. Slowly my heart softened. July 2, 1995 I was born into the Kingdom and God has used this station in my life in so many ways since then it would take chapters to list. Please forgive me for not supporting financially sooner. I don't know why I didn't sooner except procrastination and disobedience. I am believing to be able increase what I can give. Thank-you for being there for me.
