Striving for Comprehensive Achievement and Civic Readiness Outcomes and Goals 2025-26 & 2026-27

All Students Ready for School

Goal 1: The percentage of 4-5-year-old students completing our VPK/School Readiness Preschool program, meeting or exceeding proficiency standards on the Teaching Strategies Gold growth report will meet or exceed 95% at the end of the 25/26 school year.

Outcomes: 100% for Social-Emotional, 100% for Physical, 100% for Language, 100% for Cognitive, 91% for Literacy, 91% for Math

Goal 2: By the end of 25-26, the percentage of 4-5 year olds meeting proficiency in the language standard will increase by 5%.

Outcomes: Language increased from 79% in the 24-25 school year to 100% in the 25-26 school year.

New Goal 1: By the end of 26-27, the percentage of 4-5 year olds meeting proficiency in the Math standard will increase to 95%.

New Goal 2: By the end of 26-27, the percentage of 4-5 year olds meeting proficiency in the literacy standard will increase to 95%.

Close the Achievement Gap(s) Between Student Groups

Goal 1: By the year 26/27, the achievement gap on the MCA Reading Test will close by 4% per year and be closed

Outcomes: 2025/2026 Reports are not available yet

Goal 2: By the end of the 25/26 school year the achievement gap on the MCA Math test will be 10% or below reducing it 3% per year.

Outcomes: For the 25/26 school year the achievement gap on the MCA Math test was 5.3%

Goal 3: By the end of the 25/26 school year the achievement gap on the MCA Science test will be 6.5% or lower by reducing it by 1.5% each year.

Outcomes: For the 25/26 school year the achievement gap on the MCA Science test was 2.2%

Goal 4: WAO will build a more established MTSS program and interventions to work towards a closed achievement gap

Outcomes: WAO built a more established MTSS program by adding Interventionists for reading grades 6-12 and math grades 6-8

Repeat Goal 1 (2 year goal): By the year 26/27, the achievement gap on the MCA Reading Test will close by 4% per year and be closed

New Goal 2: By the end of the 26/27 school year the achievement gap on the MCA Math test will remain 5% or below and the Non-Free & Reduced and Free & Reduced sub-categories will increase by 2.5%

New Goal 3: By the end of the 26/27 school year the achievement gap on the MCA Science test will remain 2.5% or below and the Non-Free & Reduced and Free & Reduced sub-categories will increase by 2.5%

New Goal 4: WAO will fully implement a new Science curriculum and begin the process to pilot a Math curriculum during the 26/27 school year and continue interventionist work for students

All Students Career and College Ready by Graduation

Goal 1: During the 25/26 school year WAO will increase partnerships with 2 regional universities and 2 employers to lead to pathways to future employment.

Outcomes: During the 25/26 school year WAO increased partnerships with 1 regional universities but not 2 employers to lead to pathways to future employment

Goal 2: By 25/26 WAO's average for in-house ACT will be 19.2

Outcomes: The 25/26 WAO in-house average ACT score was 18.7

New Goal 1: During the 26/27 school year WAO will lead a community partnership meeting with local entities, universities, current students and graduated students to determine career pathways for future Employment

New Goal 2: By 26/27 WAO's junior class average for the ACT will be 19.4

All Students Graduate

Goal 1: In 25/26, by the beginning of Semester 2, 100% of seniors will be on track to graduate

Outcomes: In 25/26, by the beginning of Semester 2, 42 of 43 (97.6%) students were on track to graduate

Goal 2: In 25/26 the graduation rate will be 100%.

Outcomes: In 25/26, 42 of 43 (97.6%) students graduated

New Goal 1: In 26/27, by the beginning of Semester 2, 100% of seniors will be on track to graduate

New Goal 2: In 26/27, the graduation rate will be 100%.
