Dear Parents,

Keeping you informed is a top priority at Kin Dah Lichi'l Olta. That's why we have adopted the Connect 5 Notification Service which will allow us to send a telephone, text message or e-mail message to you providing important information about school events or emergencies. We anticipate using Connect 5 to notify you of school delays or cancellations due to inclement weather, as well as remind you about various events, including report card distribution, open house, field trips, and more. In the event of an emergency at school, you can have peace of mind knowing that you will be informed immediately by phone.

What you need to know about receiving calls sent through Connect 5

- Caller ID will display the school's main number when general announcement is delivered.
- Caller ID will display 411 if the message is a dire emergency.
- Connect 5 will leave a message on any answering machine or voicemail.
- If the Connect 5 message stops playing, press any key 1-9 and the message will replay from the beginning.

The successful delivery of information is dependent upon accurate contact information for each student, so please make certain that we have your most current phone numbers. If this information changes during the year, please let us know immediately.

Note that the primary phone number will be called for standard and emergency calls; the emergency numbers will only be used in an emergency, and all will be dialed simultaneously. Thank you for your cooperation and if you have any questions, please don't hesitate to contact us at (928)755-3439 or 3430.

We are very excited to incorporate Connect 5 as a tool to improve parent communication and look forward to having the ability to deliver real time information to you and provide awareness of all the great events that take place within the school.

HOME OF THE WOLVERINES

The School's Health Office extends a warm welcome to all children and their parent(s) or guardian(s) to SY 2024-2025 Kin Dah Lichi'i Olta for another exciting school year. Here are a few reminders from the School's Health Office when parent(s) or guardian(s) are concerned about their child(ren).

The following information is intended as a guide to help with their decision.

- ❖ If your child has vomited or had diarrhea within the pass 24 hours
- ❖ If your child has open sores or a rash of unknown origins
- ❖ If your child has head lice
- ❖ If your child has redness, irritated, or discharged from the eye(s)
- ❖ Persistent cough or persistent running nose
- ❖ After an illness and until your child has eaten a full meal and their temperature has been normal for at least 24 hours without medication
- ❖ If he/she has had a throat culture, wait until you have received the results and know that it is not strep throat.
- ❖ Until 24 hours after antibiotic treatment is started and your child has a normal temperature for 24 hours without fever reducing medication

If your child has been sick and missed two or more days, a doctor statement is required to excuse absences.

Immunization:

Arizona Revised Statutes (ARS) 15-872 (B) states that "a pupil shall not be allowed to attend school without submitting documentary proof to the school administrator unless the pupil is exempted from immunization". This means upon enrollment to KDLO you are required to submit a current up-to-date with current year immunization record for your child(ren) unless you have written documents for exemptions.

Kindergarten and 6th grader's immunizations are reported annually to the Arizona Department of Health Services on November 15 of every year. Please check with the school health office to see if your child has updated immunization on file. A 10 day grace period is given to ensure enough time to turn in your child immunization. If your child's immunization record is not updated, your child may not be allowed to attend school until their immunization record is updated with the school health office. **Student taken home due to inadequate immunization is NOT an EXCUSED ABSENT.**

Vision and Hearing Screening:

All vision and hearing screening are done at KDLO by the Health Assistant. Rescreening are required for students whom fail the first screening and will be determine by the Health Assistant.

BACK

Sport Physical Exam:

Before your child can participate in any sport at KDLO a Sport Physical Examination is required. Obtaining a Sport Physical is the responsibility of the parents for their child(ren) to participate in any sort of organized sport activities that requires a Sport Physical.

Prescription Medication(s):

Prescription medication(s) must be brought to the school by the parent or guardian. **NO MEDICATION IS TO BE TRANSPORTED BY STUDENT ON SCHOOL BUS.** All prescribed medication(s) must be in original pharmacy container with the student's name, name of medication(s), doctor's name and specific instruction for administration. A written doctor's statement is required for medication(s) to be administered at school and for your child(ren) record. Parent or guardian must sign a school consent form for the School Health Assistant to dispense or administer medication.

Head Lice:

The School Health Office recommends that each parent or guardian periodically screens their child(ren) hair for lice. Head lice is most common communicable childhood infestation and outbreaks among Preschool and elementary school-age children. Head lice can spread among children who engage in behaviors such as sharing combs, brushes, jackets and hats. Head Lice Treatment can be bought at any department store such as Wal Mart, Walgreens, Family Dollar and Safeway. You can come by the Health Office to get more information on head lice transmission, infestation, treatment and nit removal.

Chronic Head Lice incidents will be referred to the local CHR or Public Health Nurse.

Educating your child on head lice may prevent infestation among school children. Please work with school personnel to attain a louse-free, education-oriented environment. If you need additional information, please contact the school health office. **Your child can return to back to school as long as Head Lice is completely gone.**

The School Health Office is for Emergency and First Aid purpose. It is the responsibility of the parents or guardian to take their child(ren) to their routine medical or dental appointments including triage clinic. Accidents that happen at home should be treated and take care at home. Failure to ensure that a child attend school is a criminal offense and subjected to a fine of up to \$500 plus surcharges and a possible jail sentence of up to 30 days.

A.R.S §13-3613 and 13-3612 require parent(s) guardian(s) to not commit any act which causes, encourages or contributes to a child's dependency. Pursuant to school policy, the school will notify the parent(s)/guardian(s) upon determining that the minor child is absent from school without permission. The parent(s)/guardian(s) must contact the school within twenty-four (24) hours of the notice regarding the unexcused absence and inform the appropriate school personnel the reason for the absence.

The school's attendance department must determine if the excuse is valid and acceptable. The attendance department may require further documentation to substantiate the reason for the absence. Students and parents must understand that school attendance is not a matter of choice, but a legal requirement.
