## About Us

MVA is a fully asynchronous online program available tuition-free to K-12 students who prefer to learn at home. In its third year of partnership with Village Virtual, MVA students ended the 2022-23 school year with an impressive 93% successful completion rate across all grade bands and subject areas.

## Why Choose Us?

- ✓ Engaging curriculum for diverse learning styles
- ✓ Certified teachers for assistance and feedback
- ✓ Asynchronous instruction for maximum flexibility
