

Stark County CUSD #100
Home Language Survey

The state requires the district to collect a Home Language Survey for all students. This information is used to count the students whose families speak a language other than English at home and to identify the need for bilingual services.

Student Name - _____ Birthday _____
Verified on - _____

Language - What is the primary language used in the home?

Home language - What is the language most often spoken by the student?

Native language- What language did the student first acquire?

Does your child speak a language other than English?
Yes or No - _____

If you answered yes, what language(s), other than English, are spoken in your home?

If your child was born outside of the United States, please list what country

Illinois law may require the school to assess your child's English language proficiency. The state of Illinois utilizes the ACCESS test that measures students' social and instructional English as well as the language associated with language arts, math, science, and social studies within the school context across the four language domains which include reading writing, listening, and speaking.
