## NBES is Committed to Character

Dear NBES Families,

We not only want our students to have strong minds, but also strong morals. This is why each month throughout the school year, we will be highlighting a different character trait. We would like to pass along some ways you can further discuss the trait at home with your family. So each month a family newsletter will be sent home with information about each month's character trait for the month. We are kicking off the school year learning about **RESPECT** in September. Partnering between school and home we hope to show NBES students that CHARACTER COUNTS!
