

Dear Parents of Future 3rd Graders,

We are looking ahead to a fun and exciting 2026-2027 school year. In third grade, there will be an emphasis on both free and structured reading. Reading can increase vocabulary, improve comprehension/fluency, ignite imagination, and support critical thinking. Reading for pleasure lowers stress levels and promotes tranquility.

This summer, students entering 3rd grade are required to read one chapter book from the following list: *Super Fudge* by Judy Blume, *Double Fudge* by Judy Blume, *Stuart Little* by E.B. White, or *Matilda* by Roald Dahl. In addition, students can choose to complete the Summer Reading Bingo. Students that return the completed card to their 3rd grade teacher during the first week of school will be rewarded with 5 bonus points on the first Reading test AND Reilly/Nguyen dollars.

In addition to reading, we encourage your child to practice their math skills using Xtra Math daily. Each student will be assigned an IXL action plan to complete over the summer. They also need to complete the Math review packet. Please work on your addition and subtraction facts to increase math fluency.

Thank you in advance for helping us promote good reading and math habits over the summer and into next school year.

God bless,

Ms. Reilly and Mrs. Nguyen

Summer Reading Bingo

Read out loud to an adult	Read in a comfy spot 	Read a play out loud with a group of friends	Read a book that a friend recommends	Reread a favorite book 
 Read a biography	Read a story you wrote yourself	Tell a joke you read in a book 	Read in a pillow fort	Read a magazine article
Read a book by your favorite author	Read to a stuffed animal (or a real one!) 	FREE SPACE	Read the directions for a game	 Read outside
Try a book you think you won't like (you don't have to finish it!)	Tell an adult three facts you read in a book	Write a review of a book you've read	Read with a flashlight 	Read a book you got at the library
 Read one book in a series	Read out loud to a little kid	Read a short story 	Retell a story you read in your own words	Read in bed

Name: _____

Have an adult sign each box you complete over the summer.

Blackout Board: _____

One Line Complete: _____

Chapter 12

Name _____

Find the product. You can draw or model to help.

$$\begin{array}{r} 1. \quad 3 \\ \times 2 \\ \hline \end{array}$$

6

$$\begin{array}{r} 2. \quad 2 \\ \times 0 \\ \hline \end{array}$$

$$\begin{array}{r} 3. \quad 3 \\ \times 9 \\ \hline \end{array}$$

$$\begin{array}{r} 4. \quad 4 \\ \times 2 \\ \hline \end{array}$$

$$\begin{array}{r} 5. \quad 3 \\ \times 3 \\ \hline \end{array}$$

$$\begin{array}{r} 6. \quad 5 \\ \times 5 \\ \hline \end{array}$$

$$\begin{array}{r} 7. \quad 2 \\ \times 9 \\ \hline \end{array}$$

$$\begin{array}{r} 8. \quad 5 \\ \times 1 \\ \hline \end{array}$$

$$\begin{array}{r} 9. \quad 2 \\ \times 2 \\ \hline \end{array}$$

$$\begin{array}{r} 10. \quad 5 \\ \times 8 \\ \hline \end{array}$$

$$\begin{array}{r} 11. \quad 4 \\ \times 5 \\ \hline \end{array}$$

$$\begin{array}{r} 12. \quad 2 \\ \times 6 \\ \hline \end{array}$$

$$\begin{array}{r} 13. \quad 5 \\ \times 2 \\ \hline \end{array}$$

$$\begin{array}{r} 14. \quad 4 \\ \times 3 \\ \hline \end{array}$$

Multiply.

$$15. \quad 7 \times 2 = \underline{\quad}$$

$$16. \quad 6 \times 3 = \underline{\quad}$$

$$17. \quad 6 \times 5 = \underline{\quad}$$

Write how many. You can use models.

18. How many fours are in 16?

$$\underline{16} \div \underline{\quad} = \underline{\quad}$$

19. How many threes are in 12?

$$\underline{\quad} \div \underline{\quad} = \underline{\quad}$$

20. How many fives are in 20?

$$\underline{\quad} \div \underline{\quad} = \underline{\quad}$$

Problem Solving

Solve. Use a problem-solving strategy.

21. Ed put 4 stickers on each of 6 pages. How many stickers are there in all?

_____ stickers

22. Three friends share 8 toys equally. How many toys does each friend get? How many toys are left over?

_____ toys each and _____ left over

23. Gary is making gifts for 6 of his friends. He puts 5 marbles in each gift box. How many marbles is Gary giving to his friends?

24. Sue gives 30 toy cars to her friends. Each friend gets 5 cars. How many friends does Sue give cars to?

Name _____

Start at the mark. Draw a line for each measure.

1. $4 \frac{1}{2}$ in.

2. 11 cm

Circle the better estimate.

3.

about 1 centimeter
about 1 meter

4.

about 3 feet
about 3 yards

5.

about 2 ounces
about 2 pounds

6.

about 2 grams
about 2 kilograms

7.

about 1 liter
about 10 liters

Complete.

8.

4

= _____

9.

8

= _____

Find the perimeter and the area.

10.

perimeter = _____

Match with the appropriate unit of measure.

11. How long is it?

liter

12. How heavy is it?

meter

13. How much will it hold?

kilogram

Chapter 10

Name _____

Write the fraction for the part colored.

1.

2.

3.

4.

5. Compare the colored parts.
Write $>$ or $<$.

6. Count the parts colored.
Write a fraction for the whole.

7. Circle to estimate
the part colored.

- about $\frac{1}{2}$
- about $\frac{1}{8}$
- about $\frac{1}{4}$

8. Write the equal fraction.

$\frac{3}{5} =$ _____

9. Circle to show how likely
the spinner is to land on red.

- more likely
- equally likely
- less likely

10. Circle the outcome of 4 sides.

- certain
- possible
- impossible
