

EXECUTIVE SUMMARY – REQUEST APPROVAL OF THE GENERAL FUND & SPECIAL REVENUE FUND BUDGETS FOR FISCAL YEAR 2022-2023

February 21, 2023 – Work Session Agenda Item & Board Meeting Action Item

AGENDA ITEM: Request the board of trustee approval of the operating budget for the general fund, special revenue funds, and the capital projects fund of Lake Wales Charter Schools, Inc. for the fiscal year 2022-23. (*Resolution 02-2023*) The budget incorporates school enrollment projections, estimated state, federal, and local appropriation amounts; and any changes in personnel and programming. The Florida Education Finance Program (FEFP) appropriation data utilized in the FY23 budget is from the Final Conference Report of last year's regular legislative session along with data from the 2022-23 FEFP 3rd Calculation.

Please find below a synopsis of the revised Fiscal Year 2023 budget after consideration of the 2022-23 FEFP 3rd Calculation:

REVENUES:

The Florida Department of Education's 2022-23 FEFP 3rd Calculation increased funding per Unweighted FTE statewide overall by \$31.22, and for Polk County, student funding increased, by \$12.21 (.015%). The increase is a result of the number of students in the state increasing greater than the over-funding provided. Notable FEFP changes statewide can be found in Base FEFP Funding formula, Sparsity Supplement, State-Funded Discretionary Contribution, .0748 Mills Discretionary Compression, DJJ Supplemental Allocation, Federal Connected Student Supplement, Total Funds Compression and Hold Harmless Allocation and Turnaround Supplemental Services Allocation. Although the LWCS doesn't participate in each of the categories listed above, LWCS funding per UFTE increased from our adopted budget. *Refer to page 5 line 31 for the system's consolidated funding totals.*)

Key Components of LWCS FEFP Calculation

FTE student membership, Program Cost Factors, Base Student Allocation, DCD (District Cost Differential), DJJ supplement, 0748 Dis. Compression, Safe Schools, Reading Program, SAI, ESE Guaranteed, Instructional Materials, Teacher Salary Increase Allocation, Teacher Classroom Supply Assistance, Student Transportation, Digital Classroom, Required Local Effort (RLE) and other FEFP categorical programs are the components paid for the LWCS.

- The General Fund (GF) budgeted student membership count was approved at 4,909 FTE (full-time equivalent); however, the school year survey 2 student count revealed 4,905. This student count represents a decrease of 4 students from the 2022-23 adopted budget. (*The FTE chart on page 4 shows the actual paid FTE membership by school site by year.*)
- The FEFP funding foundation is the Base Student Allocation (BSA). The BSA remains the same (\$4,451.61) between the Conference Report and the 2022-23 FEFP 3rd Calculation.
- Total funding amount per un-weighted FTE (UFTE) is \$7,549.62 after factoring all state categorical funding and adjustments statewide based on the 3rd FEFP calculation. The UFTE per-pupil amount was increased with counts of survey 2 enrollment data, shifts in the population of ESE students, transportation ridership, and the change in school taxable property taxes and millage rate.

Incorporating all the revenue pieces, the total GF revenue base is estimated to increase by \$798,303, or 2.09% from the FY23 adopted budget level. (*Refer to page 6 for the General fund revenues on the system's consolidated totals.*)

EXECUTIVE SUMMARY – REQUEST APPROVAL OF THE GENERAL FUND & SPECIAL REVENUE FUND BUDGETS FOR FISCAL YEAR 2022-2023

The LWCS Foundation plays a vital role in bridging funding shortfalls in public education with designated and unrestricted giving. The Foundation has been an integral and emerging resource for each of our school sites. This budget includes an estimated \$234,797 in donations coming from the Foundation to the System.

The legislature appropriated HB 5001 Capital Outlay funding (PECO) for start-up charter schools in the of \$195,768,743 up from \$182,864,353 appropriated in FY22. While this is a significant increase from the prior year, we are still unsure of how many additional start-up schools will be drawing from the pool of funds which ultimately will determine both the Boks funding for the year. We are projecting a Bok North allocation of \$330,412 and a Bok South allocation of \$328,118 during FY23.

EXPENSES:

The proposed General Fund expenditures increased by \$820,394 (2.15%) from the FY23 adopted budget. The slight increase can be attributed to great fiscal stewardship on behalf of the Principals utilizing the funding in an effective manner and utilizing cost-cutting measures to slightly increase cost in the following functional areas: instruction & curriculum development, instructional staff, instructional-related technology, general administration, transportation services, operation of plant, and community services/athletics training healthcare, transportation cost. The overall increase can be attributed to salary increases system-wide from the Teacher Salary Increase Allocation (TSIA) along with a cost of living adjustment for staff. *(Refer to page 7 for the General fund service activities on the system's consolidated totals.)*

The FY23 revised budget for all funds includes an expenditure of base salary increases for the LWCS employees. The base salary adjustments for instructional staff are typically based on Pay-For-Performance (PFP) articulated in the statute under the 2011 Student Success Act (Ch. 2011-1, Laws of Florida); linking the salary adjustment to observations and student assessment scoring utilizing the Value Added Model (VAM). The method was not used to increase salaries this year as we continue to increase instructional staff salaries using the Teacher Salary Increase Allocation passed in HB 641 during the 2020 legislative session.

- Our Non- Instructional and Instructional salary increases are budgeted for the year along with funding for Teacher Salary Increase Allocation of \$1,215,811 for instructional staff system-wide pursuant to HB 641.
- This budget provides for returning LWCS non-instructional positions and administrative positions to receive a 2% salary increase from the base salary.
- Staff employed after 7/1/2023 (instructional and non-instructional) will is not eligible to participate in this salary increase.

All increases were retroactive from the start date of the 2022-23 contract period.

EXECUTIVE SUMMARY – REQUEST APPROVAL OF THE GENERAL FUND & SPECIAL REVENUE FUND BUDGETS FOR FISCAL YEAR 2022-2023

FEDERAL PROGRAMS:

The FDOE's allocation and application process for FY23 federal entitlement programs was completed and entitlement grants roll-forward funds have been added to the original allocations. The special revenue fund accounts for the activity of our federal entitlement grants, competitive grants, and the National School Lunch Program (NSLP). The federal programs listed under special revenues in FY22 include Title I, Title I, Title II, Title III, Title IX, IDEA, IDEA Pre-K, GEER, CARES Act, ROTC and Carl Perkins.

Federal awards increased to \$23.3 million, up 10.1% from the FY23 adopted budget. The majority of the expenditures of the grant will be to support supplemental staff across the system to support student instruction. *(Refer to page 6 for grant and food service activity by school and system consolidated totals.)*

FOOD SERVICE PROGRAM:

- The LWCS food service operations in FY23 will continue its partnership with SLA Management for the school year breakfast, lunch, and snack operations, school Pre-K programs and the summer community food service program. During the 2022-23 school year, LWCS will continue participating in the Community Eligibility Program (CEP) which allows schools and LEAs with high poverty rates to provide free breakfast and lunch to all students. The CEP will encompass our four elementary schools and sponsorship for the OCA school. Boks and LWHS student eligibility for free and reduced-price meals will continue through the traditional household income application. All food service activity is accounted for under central administration in the food service fund and is restricted for future food service operations.

CAPITAL PROJECTS:

The Capital Projects fund incorporates activities funded for Edward Bok North Academy and the Edward Bok South Academy campuses. For the fiscal year 2022-23, the projected PECO revenues will be \$658,530 for both schools. The estimated expenditures are \$5,802,487 which includes debt service for the Bok South campus and Bok North campus construction/ renovation cost, site development cost, the portable leases, and debt service for the outstanding loan with the City of Lake Wales. Deficit spending will need to be offset with reserves in the fund balance along with securing a loan from a financial institution. *(Refer to page 17 for the Capital Projects funding schedule.)*

FY23 Total LWCS Expenditures

All expenditure divisions include a share of fringe benefit costs based on staffing FTE which includes health, dental, life insurance, long-term disability, FICA, workers compensation insurance, FRS retirement and unemployment compensation charges.

Administrative Services – includes Board of Trustees, General & School Administration, Fiscal Services, Central Services, Community Services/Athletics and Operating Transfers.

Operation & Maintenance – includes activities of ongoing management, repairs and preventative maintenance of buildings & grounds, utility cost, building & liability insurance.

Transportation – includes personnel, fuel, insurance, and vehicle lease payments for the system operated bus service for ESE and regular students.

Food Service – includes personnel, supplies, utility cost, repairs and maintenance and contracted management service for food service.

Capital Outlay – represents capital expenditures (furniture, fixtures, equipment, buildings & improvements) of the system in the General Fund.

Capital Projects – represents PECO for both Bok South & Bok North Campus as well as the construction for the Bok North Campus.

Other Sources – includes Pre-k, After School programs and debt service (P&I payments for the administration office).

POLK AVENUE ELEMENTARY – 1351
REVISED BUDGET NARRATIVE
FY2022-2023

Polk Avenue Elementary (PAE) operates under the “Leader in Me” platform. The Leader in Me signifies our belief that educating the whole child is critical in helping the student discover the leader within themselves and empowering them to become responsible citizen. Polk Avenue Elementary will be focusing on English Language Arts (ELA) for all grade levels and the new B.E.S.T. Standards being implemented for all students K-5. A new reading curriculum, Wonders is being used school-wide to help meet the new standards. PAE is very thankful for the various Grant monies that continue to assist with various positions and paraprofessionals to support areas of learning loss due to the COVID-19 pandemic.

Revenues:

- The PAE revised budget supports the educational program of 538.50 FTE student membership blended count from surveys 2 and 3 for the 2022-23 school year.

Expenditures:

- Incorporated in this budget presentation are salary adjustments related to HB641 which increased Instructional base salaries by a minimum of \$1,645. All Non-Instructional staff received at this school location received a 2% base increase.
- The budget includes an allocation for consumable workbooks and supplies needed in the classroom to provide hands-on experiences and manipulatives for our students.
- Funds are budgeted for professional development for our staff and instructional coaches to support the Implementation of our curriculum and the B.E.S.T standards.

Capital Expenditures:

- Furniture and updates are planned for the library and front office.

Grant Expenditures:

- We received the UniSig School Improvement Grant. These funds have been used to support additional PD for teachers and increased family engagement.
- Grant funds were also used to purchase new technology for instructional staff.
- Grant funds were used to purchase iReady.

**HILLCREST ELEMENTARY – 1361
REVISED BUDGET NARRATIVE
FY2023**

Hillcrest Elementary 2023 revised budget is presented with a continued commitment to increasing the level of quality instruction in all classrooms with the goal for all of our students to succeed.

This school year the budgeted resources are focused on professional development for instructional staff to implement the new state standards in math with their daily instruction along with professional development for classroom management.

This budget also addresses the need to update teaching equipment to help the classrooms run more efficiently and ensure we improve technology in our common spaces (frequently used for training and school performances).

Revenues:

- The revised budget was built on a projected enrollment of 662 students.
- Our successful Pre-K and Afterschool program continues to bring in additional revenue to support the needs of the school. The programs return positive academic and financial results that help with future student enrollment.

Expenditures:

- Included in the revised budget are salary adjustments related to HB641 which increased Instructional base salaries by \$1,645. All Non-Instructional staff received a 2% base increase.
- Foundation strategies found in Marzano's "Visible Learning" will help focus the teachers to facilitate learning at the highest level possible and are reflected in supplies and training.
- We have set aside funds for Professional Development to provide ongoing training for our Teachers and staff.
- Funds were set aside for teachers to work on aligning school-wide approach to Science curriculum based on state standards.

Capital Expenditures:

- We will be replacing various pieces of technology equipment as it is damaged or outdated.

Safety & Mental Health:

- We will continue with projects to improve safety of the school, such as adding additional safety cameras and tinting windows where appropriate.

JANIE HOWARD WILSON ELEMENTARY -1401
REVISED BUDGET NARRATIVE
FY2023

Projected Enrollment

Janie Howard Wilson has significantly increased student enrollment to 446 up from 415 students at the beginning of the school year.

Instruction & Administration

- Embedded in the budget are salary adjustments related to HB641 which increased Instructional base salaries by \$1,645. All Non-Instructional staff received a 2% base increase.
- To ensure student and staff safety, 38,000 was included in contracted services for a guardian to be present and to be mobile around our campus during the day.
- We have purchased a new Math Curriculum to meet the expectations of the new Florida Best standards and to have a state-approved research-based program available for our students.
- Professional Development will be provided to instructional and administrative staff to develop a deeper understanding of the PYP/IB and to meet the requirements in the candidacy portion.
- Due to the UniSIG grant, JHW was awarded an additional math interventionist and reading coach to assist with improving student performance.

Curriculum Updates

- “*Savaas Math*” will be implemented for grades Kg through 5th grade for new math standards. We will continue to implement “*Wonders*” to increase our reading proficiency. We have updated to “iReady” to support reading individualized instruction to meet the needs of the MTSS model.
- Continue to implement the STEMScopes curriculum for science. To address the Science proficiency, we have purchased Science Acaletics and Science COACH for 5th grade.
- The budget allocated monies to prioritize the implementation of the IB PYP program.

Capital Expenditures

- Library books are budgeted to start the bilingual section of the library our “Newcomer” student needs.

Business Partnerships and Grants

- Continue to seek grants, and donors through LWCS and/or PCSB.

DALE R. FAIR BABSON PARK ELEMENTARY – 1421
REVISED BUDGET NARRATIVE
FY2023

Enrollment

This budget revision is based on 472 students.

Revenue:

- Miscellaneous revenue increased due to transfers from PTO and internal accounts for classroom supplies and subscriptions.
- The revised budget includes rollover funds from FY22 for \$30,039 to purchase computers and Chromebooks.

Expenditures:

- Embedded in the budget are salary adjustments related to HB641 which increased Instructional base salaries by \$1,645. All Non-Instructional staff received a 2% base increase.
- We have accounted for changes in personnel based upon the reclassification and/or filling of positions that were vacant on the adopted budget. It also includes adjustments made for a teacher who resigned and additional expenses for substitute and supplement payrolls.
- The revision includes additional expenses for technology repair, library book purchases, consultant and staff professional development, and consumable supplies.
- This revision also includes additional expenses for utility increases, office remodeling, landscaping, and tree trimming.

Capital Expenditures:

- This budget includes office remodel expenses of additional clinic beds and office furniture.
- This revision includes funds to purchase additional Chromebooks and carts for Kindergarten and 1st Grade.

EDWARD W. BOK ACADEMY- 1601
REVISED BUDGET NARRATIVE
FY2023

The goal of Bok Academy is to provide all students with relevant learning experiences in an engaging environment by continuing to provide quality instruction in all classrooms.

Projected Enrollment:

- The revised budget is based on the enrollment of 605 students.

Expenditures:

- Embedded in the budget are salary adjustments related to HB641 which increased Instructional base salaries by \$1,645. All Non-Instructional staff received a 2% base increase.
- The revised budget reflects changes in personnel based upon the reclassification and/or filling of positions that were vacant on the adopted budget.
- The revised budget accounts for the final payment related to a three-year lease agreement with Apple, Inc. for student iPads.

Capital Expenditures:

- Various improvements have been made to the campus including the addition of a Greenhouse as well as the front parking lot being re-paved.
- Funds have been set aside to cover the cost of fencing around the new Greenhouse.
- As the year progresses we will assess the needs of our Staff & Students for technology updates and make those purchases should funds be available.

**EDWARD W BOK ACADEMY NORTH
REVISED BUDGET NARRATIVE
FY2023**

Edward W Bok Academy North will continue to instill the 55 Essentials, while creating, engaging, and empowering critical thinkers who are open-minded, risk takers who are reflective in their inquiry of knowledge, and who have an intercultural view of the world.

Projected Enrollment:

- The proposed budget is based on 600 FTE.

Expenditures:

- Embedded in the budget are salary adjustments related to HB641 which increased Instructional base salaries by \$1,645. All Non-Instructional staff received a 2% base increase.
- The budget reflects an increase in the number of instructional staff as well as expenditures related to the new instructional complex.
- Due to the increase in students with Exceptionalities, we have chosen to extend the ESE department by continuing to service them with two teachers for support, which would assist with the forming of a continuum of services.
- We have hired Teachers to remediate students in the critical tested areas of Math, Reading, and Science.
- Incorporated in the proposed budget is \$254k to support the debt service for a mortgage loan on the campus.

Capital Expenditures:

- With the development of the school, we will use capital funds to continue adding additional items needed for the growth of the school, as well as begin to reflect expenditures related to occupancy of the instructional complex.

LAKE WALES HIGH SCHOOL – 1721
REVSED BUDGET NARRATIVE
FY2023

The budget is aligned with LWHS's strategic plan to increase the graduation rate, improve student outcomes for all students, increase the number of students with post-secondary plans (4-year college, military, trade school), increase scholarship opportunities for both athletes, and non-athletes, and invest in increasing the acceleration opportunities for students through career academies, dual enrollment, AP and IB classes.

Projected Enrollment:

- The proposed budget is based on 1,582 FTE (blended).

Revenues:

- At present, we do not anticipate a need to tap into the Principal's Discretionary Fund (Foundation). We will continue to evaluate programmatic needs and use the funds to cover specific expenses discussed with the donors to enhance the high school.
- Student performance-based IB/AP program funding is projected to be \$225,000 to cover the exam fees, and other programmatic costs.

Expenditures:

- Embedded in the budget are salary adjustments related to HB641 which increased Instructional base salaries by \$1,645. All Non-Instructional staff received a 2% base increase.
- The revised budget accounts for the final payment related to a three-year lease agreement with Apple, Inc. for new laptops for the staff members and the purchase of 200 chrome books to replace older units.
- We have set aside funds for professional development to provide ongoing training for teachers and staff.
- A shortage of bus drivers has resulted in increased use of private charter buses at a much higher cost/trip which is reflected in the transportation function.
- The budget includes an allocation of \$97K for projects in the works for some classroom/facility enhancements for this school year.

CENTRAL ADMINISTRATION – 9000
REVISED BUDGET NARRATIVE
FY2023

Revenues:

- Approximately ninety percent of the Central Administration budgeted revenues come directly from the Schools via the Transportation Chargeback Fee & the Central Admin Fee. The system administration office works diligently to keep costs down to help relieve the financial load on the schools.

Expenditures:

- Similar to the school budgets, the Revised Budget reflects salary adjustments of 2% for all Non-Instructional staff.
- The Instruction function of the budget reflects the system-wide 3rd grade summer school program.
- The Revised Budget continues to reflect the Student Support Services under the ARP ESSER III funds, which addresses the need for students' social, emotional, mental health, and academic needs resulting from the pandemic.
- The Instruction Related Technology function increased due to the purchase of equipment capable to handle the increased internet connectivity for the system.
- The reduction in the Human Resource function is related to the system moving to a self-funded insurance program, which now houses the agreement with USI.
- The Transportation budget maintains routing for twenty-two buses. With rising gas prices & driver shortages, the department is committed to utilizing cost savings when possible.
- The Debt Service function continues to reflect the principal & interest payments payable to Wells Fargo for the Central Administrative office. The remaining balance on the mortgage is approximately \$66,000.
- The Central Office Building underwent renovations which resulted in an increase in the Capital Expenditure function. These renovations consisted of a new roof as well as a new HVAC unit being installed.
