Highlights from Letters to Power 88

The first time I listened to Power 88, it was something new. I was searching the dial for something, but I wasn't a Christian. I only listened to secular music. Since I became a Christian, the Lord has used your station in many ways in my life.

Supporting Christian Radio

Christian radio is effective at reaching younger generations with the Gospel so it is imperative that we support it financially.

All of us at Goforth Media want to urge you to take time and really listen to one of the radio stations God has so graciously given us to operate in His name. Listen, ever so closely, and you will hear that wonderful, life-changing message in song and sermon. We believe his grace, on display in the Garden of Gethsemane is nothing less than amazing...and we want to share it! Goforth Media

(SRN NEWS)-The LifeWay Research survey wanted to know how many Protestant pastors were experiencing conflict in their churches over political matters. Amongst Mainline Protestant clergy, 31% say politics has been causing problems in their congregation. But for Evangelical pastors the percentage drops to NINE, as it does for pastors of Black churches. The numbers seem to suggest that politics might not be as big a problem as many observers fear.
