**POSITIVE THINKING**

Change Your Mind

**MIDLAND HIGH SCHOOL DAILY ANNOUNCEMENTS**  
**WEDNESDAY OCTOBER 9, 2024**

You have the right to change your mind and follow new dreams and interests. So what if you spent six years playing basketball or dedicated the last few years of your life to creative writing? If your heart isn't in it anymore and your passion fades, you're simply forcing yourself to continue out of obligation. That's no way to live a positive life. Part of life means readjusting and meeting new challenges.

You won't find your new thing until you're willing to take the chance. Go for it. Change your mind.
