East Hickman Intermediate School
Week of January 26th

NOTE FROM MRS. DICK

I hope everyone is staying safe and warm this week. Please encourage your child to read every night. This will help them in all their subject areas. Also, working with them each night on math facts will help their confidence in their math practice. A little practice and reading each night goes a long way. Please let us know if you need book suggestions or math fact flashcards. Thank you all for your partnership as we continue to grow our students to be their best academic selves!
