## What We're Learning

Shavers	Lucas
<p><b>Reading:</b></p> <ul style="list-style-type: none"> <li>• Research Project</li> <li>• Novel Study-<u>Because of Winn Dixie</u></li> </ul> <p><b>No Vocab or Reading Tests</b></p> <p><b>ELA:</b></p> <ul style="list-style-type: none"> <li>• comparatives/superlatives</li> <li>• Research Project/Essays</li> </ul> <p><b>Grammar Grade: 5/5</b> <b>No Spelling Test</b></p> <p><i>This Week's Shoutout:</i> EVERYONE!! You did an amazing job on your end of the year testing! I am proud of you!</p>	<p><b>Math:</b></p> <p>We will be continuing Topic 15 and 16 this week. These topics discuss geometric measurement with angles, lines, and shapes. For math homework this week, Monday-Thursday will be a review page. The math test will be on Friday. Please practice multiplication facts. We received word from the central office that the last timed daily grade needs to be a division page. These will still be basic facts (0-12 facts) and we will practice before the grade is given. Please make sure your child is at school if they are not sick.</p> <p><b>AL History:</b></p> <p>We will be discussing the impact the 1920s and the Great Depression had on different socioeconomic groups in Alabama. Students will be able to explain how supply and demand impacted the economies of Alabama and the United States during the 1920s and the Great Depression.</p> <p><i>This Week's Shoutout:</i> Paxtyn!!! Thank you for working so hard this week!</p>
