Dreams

By Mynaesha H.

I am a girl with dreams like no other
Dreams to exceed and to never fail
Dreams to be big and see the real me
Not like the girls on the tv screen
Not like the flocks
Not like the fakes
Doing what I love and not what I hate
Showing my fashion
With a very big passion
While running in the field
Feeling the breeze
Doing all the things to live in my dreams
Opening brands
Bringing my trends
Showing my people
That our dreams
Are equal

EXT. JAHEEM'S HOME-DAY(1)

CUT TO:

INT. JAHEEM'S ROOM-DAY(1)

We see JAHEEM pacing back and forth, ASHANTI sitting looking at her wrist.

JAHEEM

Come on Carlito, where are you?!

We hear a door open, then we angle on the doorway as C.J walks up dressed unlike he normally is. JAHEEM walks up to him to inspect this "strange" new style.

JAHEEM

Man, what are you wearing?

C.J

Clothes. Never seen 'em?

JAHEEM

Duh, lil spooky. I'm just saying it's not your normal style.

C.J sits next to ASHANTI

ASHANTI

Yeah, why the sudden change.

C.J

Come on guys, you know I can't dress like I normally do because of my Papi.

JAHEEM

You still haven't told him man? Your mami was understanding, what makes you think he won't be?

C.J

Eh, my Papi isn't the understanding type. Besides it's not that big of a deal! Yeah the clothes are a tad uncomfortable, and I live in constant fear my father will disown me for being myself, but hey!

JAHEEM, and ASHANTI look at him concerned.

C.J
What?!

ASHANTI
Nothing! It's just, well, do you think that's healthy?

JAHEEM
Yeah man, if you need us, we're-

C.J
Look guys, I don't need anything! I'm fine.

JAHEEM
Would someone who's fine say that?

C.J
Can we just talk about whatever you called us over here for?

JAHEEM
Um, okay.

Intense music strikes up.

JAHEEM
So, as y'all know, I am now ungrounded! And what does that mean?

ASHANTI
Uh, you don't have to skip first period to go to the bodega anymore.

JAHEEM
NO! It means there's a lot we missed out on as a group.

ASHANTI
Like what?

JAHEEM
For one, the drop for the new air jordans.

ASHANTI and C.J look away and whistle

JAHEEM Oh heck nah, yall went without me?!

ASHANTI

Look JJ, we were gonna wait til the next drop, but they were on sale! And we didnt wanna go without you, our feet just carried us away.

JAHEEM looks at them mad.

JAHEEM

Look, whatever! My point is, I have to make up for all that stuff I missed.

ASHANTI

And how are you gonna do that?

JAHEEM

I don't know yet, but I'll figure it out eventually. For now let's just break.

THE BIG THREE

1, 2, 3, BREAK!

JAHEEM.

EXT. C.J'S HOUSE-DAY(1)

We see him walk up to the front door.

CUT TO:

INT. C.J'S ENTRYWAY-DAY(1)

We see him set his backpack down.

Then his mom, MARIANA, walks up to him.

MARIANA

Hi mijo

She gives him a kiss on the cheek

MARIANA
So, how do you feel?

C.J
Same as always, trapped, ashamed. You know!

MARIANA
Mijo, I know it's hard right now. But who knows, he could come around.

C.J
Will he though?

MARIANA
Look, at least talk to him carlito. You guys barely talk, try to form a relationship at least, it may help. Now i'm gonna start dinner.

She gives him another kiss on the cheek.

MARIANA
Try baby.

She walks off.

We get a first person view of what would seem like C.J looking at where his dad is sitting.

Back to our normal view.

C.J clears his throat, and walks into the living room next to his dad. Then in a fake deep voice he says:

C.J
So, um, Dad! How about those sports?

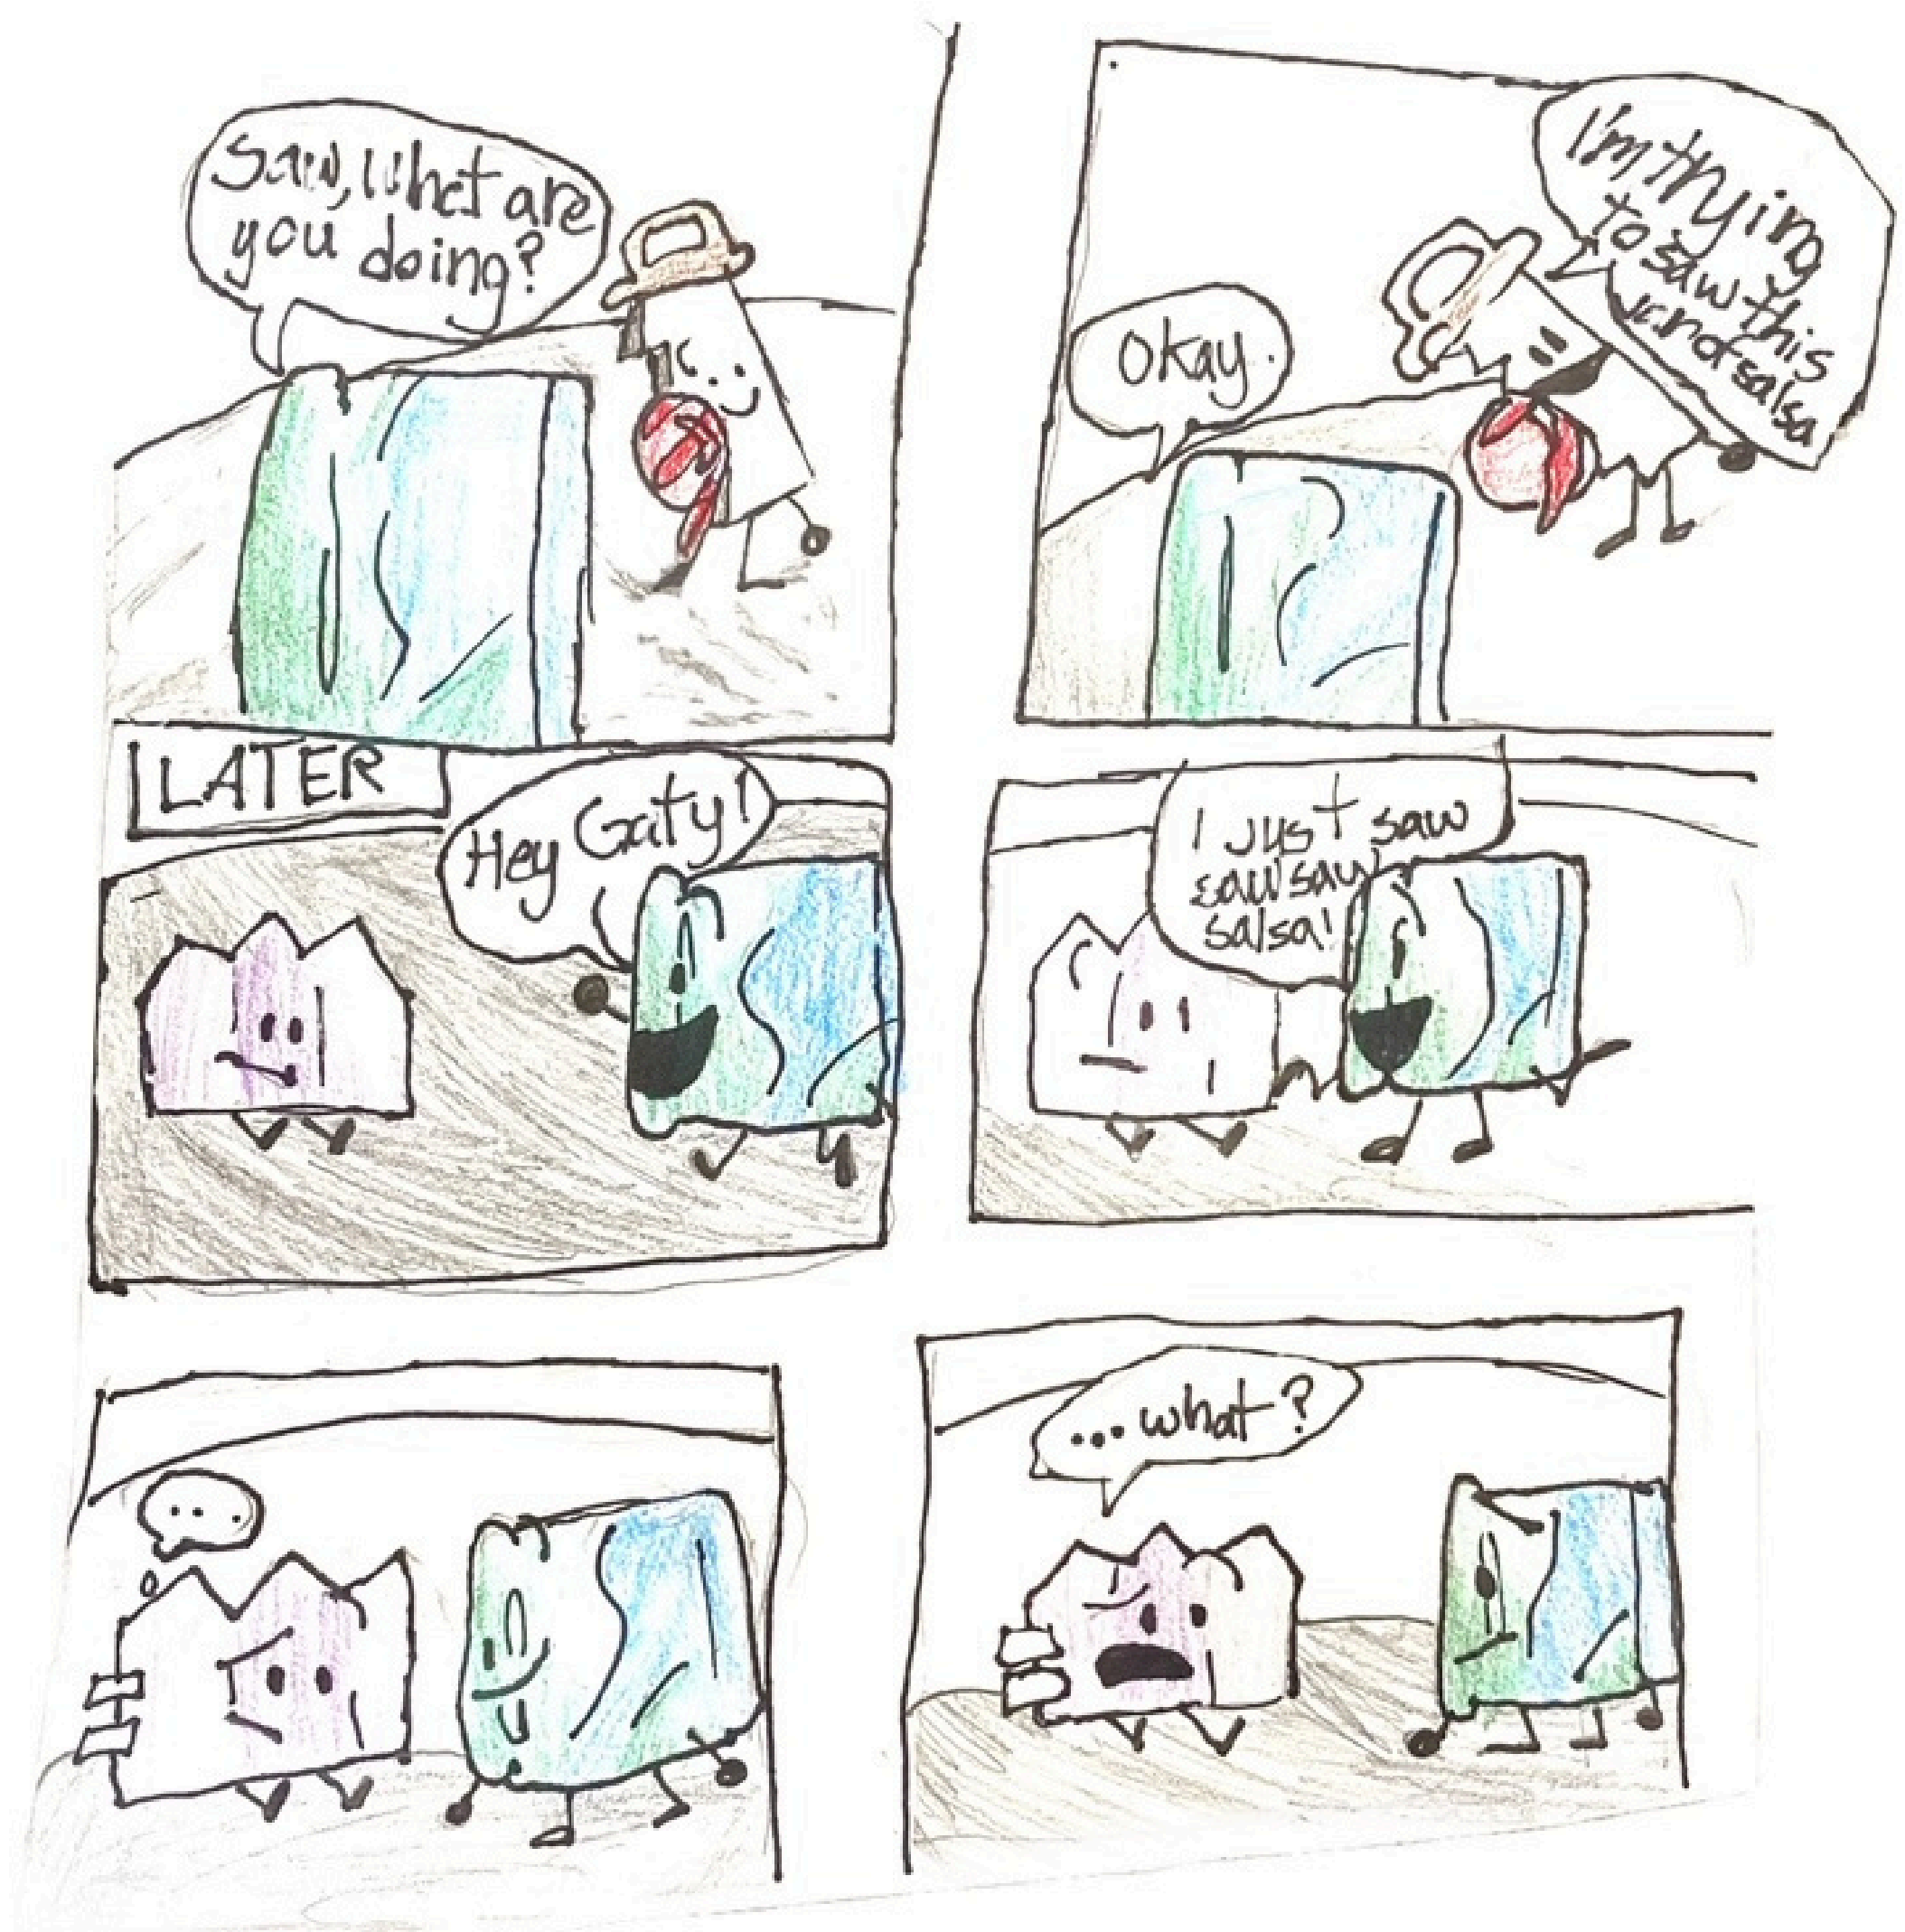

CARLITO SENIOR
Eh.

C.J
What about that quarterback, he's good looking!

I love the wind in my
hair

the breeze on my skin
I love when I listen to
music on my bike

And when I'm going fast
it feels so good to feel
everything it's unreal
I love when I'm riding
with my friends with
the sun shining bright
and beautiful

I love when I'm riding
with my friends and
talking about life and
everything we know

Thoughts run around in my head
Space is a quite place
Of music and games
Light up my day
Day is storms and rain
The star burns bright before the fall
Fall is giving things away
Shines and
Then remakes the truth
Love is
In more than one place
Some here
And some there
Hate is
Only in one place
Locked far away inside
Wish to care for one's self
Just as one's self
Cares for others
Tears on my pillow
I can't count how many times
I've cried
I feel so madly weak and hollow
Like I'm falling
Falling like a star

I am growing in art
Peace found in music
Jazz brings light
Lost in the tv
Looking for a way
Out of the dark
The button is being pressed soon

... pop

When I play my bass
I feel happy

When I play my bass
My fingers hurt

But I still play to get
better

When I make a mistake
I get upset

But I try again so I get
better

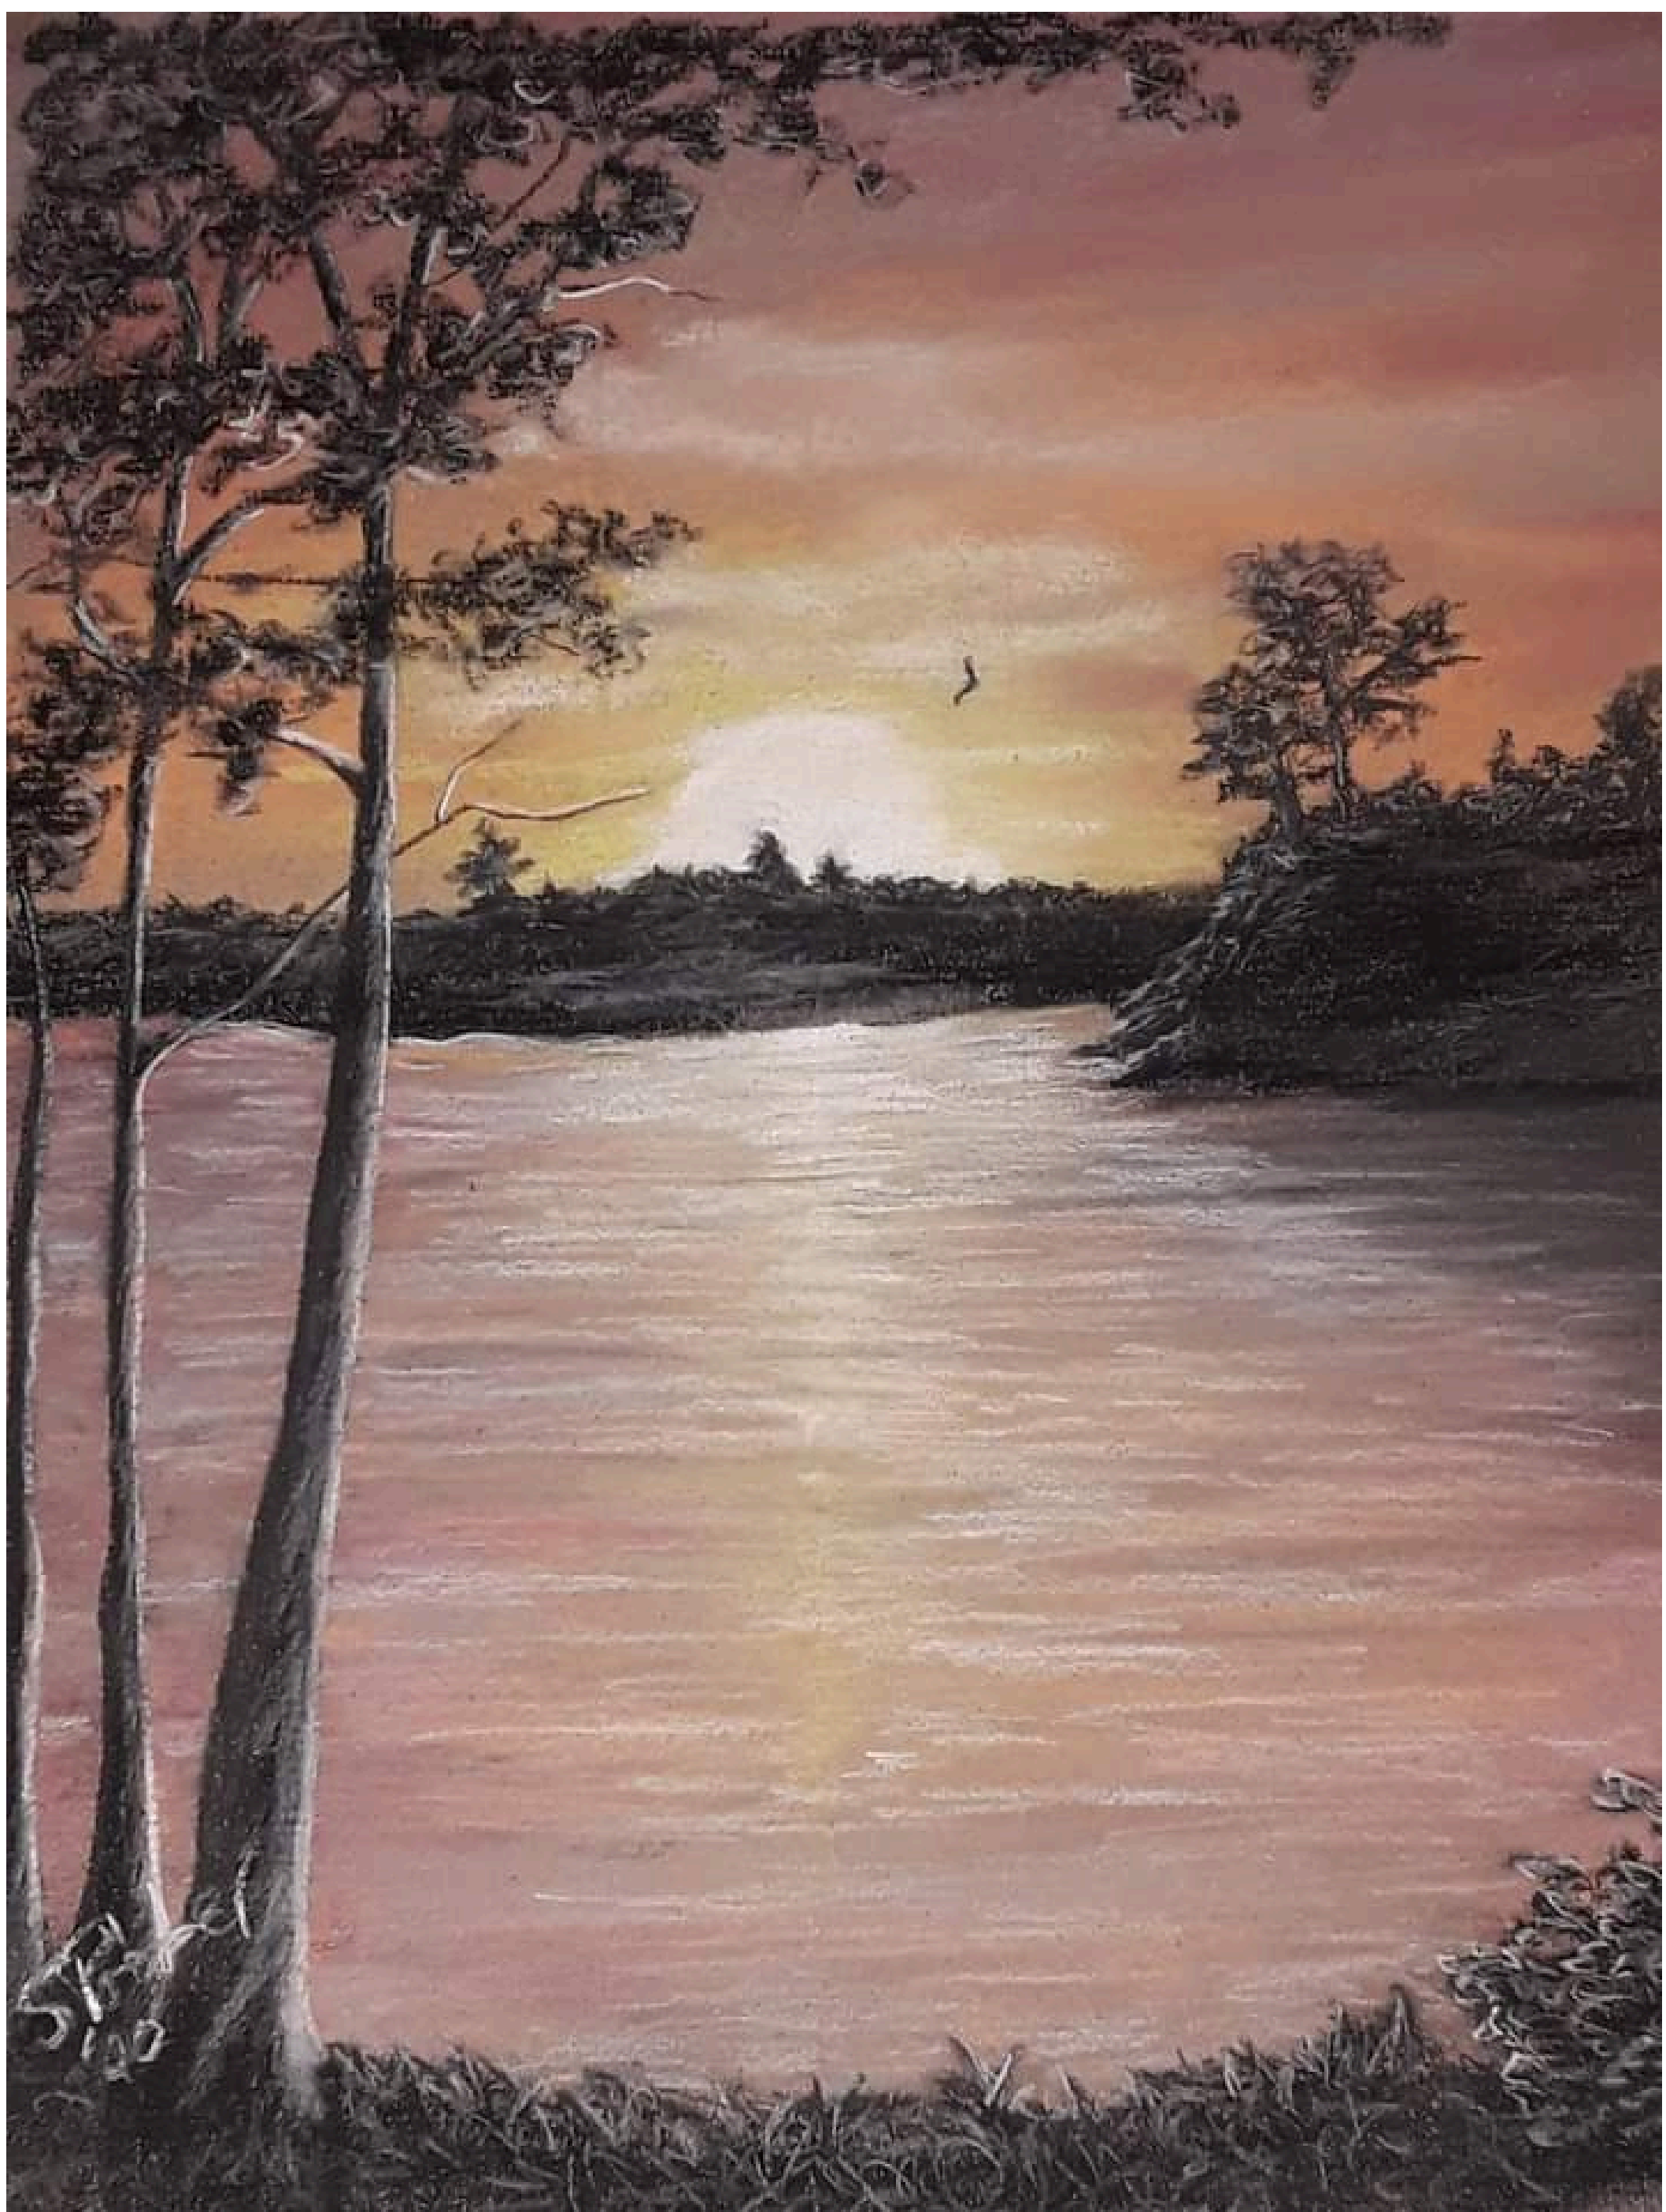

I started because
