Inspiring Excellence

To Plymouth Families,

The Plymouth Student-Guardian Handbook provides information about Plymouth's policies and procedures. Please take time to become familiar with our school. Careful reading of the handbook will provide answers to many of your questions.

We believe that communication between home and school is important and this handbook is one way our school communicates with you. Other ways we communicate: guardian/teacher conferences, telephone calls, e-mail, school newsletters, and student work. We encourage guardians and students to discuss school information frequently and openly. If you desire additional input from school personnel, please do not hesitate to contact the school office to discuss your concerns or to schedule an appointment.

We also strongly encourage guardian interest and participation in school activities. The more active and involved the guardian is in the total school program, the more successful the student is at school. Needless to say, we want to provide successful school experiences for all of our students.

We are proud of Plymouth Elementary, and we hope that you share that pride with us. It is only through continual dialogue between home and school that we can continue to improve our educational program. We welcome your suggestions, comments, questions, and participation, so that together we can continue to provide excellent educational opportunities for all students.

Cordially,

Margaret Doan
Principal

THE ABC'S OF PLYMOUTH ELEMENTARY

ABSENCE FROM SCHOOL

Midland Public Schools (Grades K-8) Attendance Policy & Guidelines

Regular school attendance is essential for academic success and developing personal responsibility. Because instructional time and classroom interactions cannot be duplicated, district policy accounts for all absences—whether excused or unexcused.

Attendance Limits & Credit Impact

- **10-Day Annual Limit:** Midland Public Schools enforces a 10-day maximum absence policy per course per school year.
 - Both excused and unexcused absences count toward this 10-day limit.
 - Exceptions: School-excused (SE) absences and documented medical (MED) absences do not count toward the 10-day limit.
- **Extracurricular Participation Attendance Requirement:**
 - To participate in any extracurricular activity, practice, or event, a student must be present for at least 50% of the scheduled school day, unless the absence is a verified medical excused absence.
 - Unexcused absences may result in a loss of credit on missed coursework, directly impacting the overall grade.
 - Exceeding the 10-day limit may result in the loss of privileges to participate in extracurricular activities (e.g., athletics, dances, club activities, special events) for the remainder of the school year. Extenuating circumstances may be reviewed by the building principal or designee; all principal decisions are final.

Truancy Regulations

Per Midland County Probate guidelines, truancy protocols will be enacted when attendance limits are breached:

- **Truancy Threshold:** A student may be considered truant if they accumulate greater than 10 non-medically excused absences (any combination of excused and unexcused) within a school year.
- **School-Excused Homework Assignments:** Homework assignments assigned prior to a school-excused absence remain the responsibility of the student and are due as scheduled unless prior arrangements are made with the teacher.
- **Tardy Equivalent:** Every 5 tardies equal 1 full-day absence toward the overall annual truancy total.
- **Note on Policy Distinction:** The 10-day limit per *school year* governs course credit, activity participation, and legal truancy reporting. Medical absences are exempt from both credit calculations and truancy referrals.

Reporting Absences & Medical Documentation

To report a student's absence, call the building attendance office within 48 hours of the missed period or day (or submit via ParentVUE).

- **Unexcused Absences:** Any absence not reported within 48 hours is automatically designated as Unexcused, and the automated Phone-Master system will contact the parent/guardian.
- **Medical Verification:** To classify an absence as medically excused, parents/guardians must submit a formal note from a physician, dentist, or orthodontist covering the specific hour(s) or day(s) missed.

- Exam Week: Medical documentation for missed exams must be submitted to the Main Office prior to or during the exam period, detailing specific dates and times.
- Extended/Special Absences: Extended medical absences require doctor's notes specifying exact date ranges. Special health plans or 504 plans are subject to administrative review.

Coursework & Make-Up Work Responsibilities

Students are directly responsible for managing missing assignments and maintaining communication with their teachers.

- Make-Up Timeline for Unexcused/Excused Absences: Students who have an unexcused/excused absence will be granted an equal number of school days to complete and submit any missed assignments (e.g., if a student is absent for three days, they will have three school days upon their return to turn in the makeup work).
- School-Excused Absences: Students will be responsible for all course work due on the day of a school-excused absence, if the assignment is assigned prior to the date of absence. Work assigned the day of the school-excused absence will be granted an equal number of school days to complete and submit any missed assignments. Communication with teachers is the responsibility of the student.

Arrival, Departure, & Check-In Procedures

Leaving During the School Day

If a student needs to leave for a planned appointment (medical, dental, etc.) or personal reason:

- Advance Notice: A parent/guardian must notify the Main Office in advance of the absence.
- Signing Out: Students must not leave campus without official permission and parent consent. Parents/Guardians must sign out at the Main Office before departing. Failing to follow this procedure results in an Unexcused Absence.

Arriving Late / Returning to School

- Any student arriving after the start of the school day or returning from an off-campus appointment must report directly to the Main Office to sign in.

Ill or Injured at School

- Illness: Report immediately to the Main Office. Staff will contact a parent/guardian and arrange permission to leave.
- Injury: Report immediately to the teacher in charge and the Main Office (applies to all areas, including gymnasiums, athletic fields, locker rooms, and labs).
- *Do not leave the building without Main Office approval.*

Tardiness Policy

Punctuality is crucial to academic success.

- Definition: A tardy is defined as failing to be in the assigned classroom when the bell rings (individual teacher policies determine whether a student must be in their physical seat).
- Timeframes:
 - Arriving between the bell and 5 minutes after class starts is marked as Tardy.
 - Arriving more than 5 minutes late is recorded as an Unexcused Absence.
- Reset & Restrictions: Tardies cannot be excused. Tardy counts and associated disciplinary actions reset at the start of each semester.

ACCIDENT INSURANCE

MIDLAND PUBLIC SCHOOLS DOES NOT CARRY INSURANCE TO COVER MEDICAL EXPENSES OF STUDENTS. These expenses should be covered by the guardians' or guardian's personal insurance plan. If you do not have accident insurance, you are encouraged to consider purchasing a voluntary accident insurance policy. As a service to students and their families, our district makes available a student accident insurance plan for your student at a very nominal cost. For more information on purchasing this voluntary accident insurance policy, please click the Guardians tab on the Midland Public Schools website, and then select Student Insurance Plan.

ANNUAL NOTIFICATIONS

Updated Midland Public Schools annual notifications can be found on the Midland Public Schools website at <https://www.midlandps.org/annual-notices>

BAND/ORCHESTRA/CHOIR

Students in grade 5 may choose to participate in band, orchestra, or choir. Classes meet 2-3 times a week, before or after school. Students will be notified by their teachers in September about each program.

BEFORE/AFTER SCHOOL PROGRAM

Midland Public Schools partners with Midland Community Center to provide a before and after school student care program here at Plymouth. The before school program operates from 7:00-8:40 and the after school program runs from 3:40-6:00 for students K-5. The program meets every day that school is in session. On inclement weather days, child care is provided at the Community Center on a first come, first serve basis for students already enrolled in the program. Go to <https://www.greatermidland.org/before-after-school> for more information and details.

BREAKFAST

In compliance with state regulations, breakfast is available for all students.

BULLYING AND OTHER AGGRESSIVE BEHAVIOR TOWARD STUDENTS

It is the policy of the District to provide a safe and nurturing educational environment for all of its students. This policy protects all students from bullying/aggressive behavior regardless of the subject matter or motivation for such impermissible behavior. Bullying, or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, guardians, guests, contractors, vendors, and volunteers, is strictly prohibited.

Please refer to the [Code of Conduct](#) within the Midland Public Schools District Handbook.

BUS RIDERS

Bus riders are expected to observe good passenger manners and keep distractions to the driver to a minimum. While waiting at a bus stop, students are to stay away from the traffic and wait for the bus in an orderly, safe manner. If a student who normally rides the bus does not ride the bus on a particular day, please call the school office, or write a note to notify the school.

CODE OF CONDUCT

<https://www.midlandps.org/codeofstudentconduct>

COMMUNICATION WIRELESS DEVICES

To maintain an engaging, distraction-free learning environment, K-8 students must adhere to the following guidelines regarding personal wireless communication devices (cell phones, smartwatches, earbuds, etc.) as indicated in Board Policy 5209.

Permitted vs. Restricted Times

- Permitted Times: Before entering the school building upon arrival and after students leave the building at dismissal.
- Restricted Times: Devices are strictly prohibited while students are in the building and during all class periods and passing periods. *Exceptions to this are indicated in Board Policy 5209.

Storage Requirement: During restricted hours, all devices must be turned off (or placed on silent) and stored out of sight in a locker or backpack.

Policy Enforcement & Disciplinary Structure

School staff members have the full authority to confiscate any communication device used in violation of Board Policy 5209. Violations will be handled using a progressive disciplinary model:

Infraction	Consequence
1st Infraction	Verbal warning; device must be put away immediately.
2nd Infraction	Device is confiscated for the remainder of the school day. Student may retrieve the device at dismissal.

3rd Infraction	Device is confiscated and will only be released to a parent or guardian.
----------------	--

Further infractions may result in a loss of device privileges on campus or additional disciplinary action as determined by administration.

COMMUNICABLE DISEASE/ILLNESS

Plymouth Elementary follows the “24 Hour Rule” recommended by the Midland County Health Department:

- **Fever:** Keep your student home until the fever has been gone without medicine for 24 hours
- **Vomiting/Diarrhea:** Keep your student home for 24 hours after the last episode
- **Antibiotics:** Keep your student home at least 24 hours after the first dose of antibiotic

COMMUNICATING WITH SCHOOL

The Plymouth office telephone number is 989-923-7616. If calling the school outside of business hours, guardians may leave a voice-mail message. If guardians wish to visit their student’s classroom or talk with their student’s teacher, please call ahead, e-mail, or write a note to schedule an appointment. Always check in at the office when visiting the school.

CRISIS PLAN

A high priority for Midland Public Schools is the safety of your student and the security of each building in the district. Plymouth has a crisis committee and a crisis plan for various emergency situations. Please contact the office if you would like further details. Safety drill dates and times are posted on the Plymouth website.

CURRICULUM

Elementary handbooks outlining the curriculum objectives of each grade level are available online at the MPS website (www.midlandps.org) under the Curriculum tab. These handbooks explain how students are evaluated on progress reports. Please refer to these handbooks throughout the school year when you have questions about expectations and requirements.

CUSTODIAL VS NON-CUSTODIAL GUARDIAN

We acknowledge and respect the rights and privileges of both custodial and non-custodial guardians. The restriction or denial of non-custodial guardians regarding access to students, their records, programs, etc. may be done only by court order. In such situations, the school must have a current copy of the court order on file.

DISCIPLINARY COMMUNICATION

The School District will always consider restorative practices as an addition or alternative to removal from school. The discipline for violating any prohibited acts considered to be minor violations will typically result in increased communication between staff, student, and parent/guardian. For violating other prohibited acts, the penalty may range from detention to suspension. Violation of the most serious prohibited acts can even lead to expulsion. In cases where the stated penalty is not expulsion but is set forth in terms of a range, the actual penalty imposed will depend upon the nature and severity of the offense, the particular facts involved, the age of the student, the student's prior behavioral record, the persistent and/or chronic nature of the misconduct, the recommendation of school personnel, and all other circumstances deemed relevant. In every incident that leads to student discipline, the goal of school personnel is to work collaboratively with all stakeholders to maintain open communication throughout the process. See example chart:

DRESS CODE

Students are expected to use good judgment in the selection of their clothing. Proper attire is expected at all times. Refer to the MPS Code of Conduct for specific details.

EMERGENCY CONTACT INFORMATION

Guardians are asked to update emergency contact information at the beginning of each school year. Information is collected for each family, consisting of address, guardians' names, place of employment, home, cell, and work telephone numbers, and other emergency contact numbers. This information is kept confidential. We ask guardians to keep us informed of any changes so that our information will always be current.

EMERGENCY WEATHER CLOSING

The decision to dismiss school for severe storm conditions rests with the Superintendent of Schools. Please monitor the Midland Public Schools website for school closing information. Look for a red bar at the top of the web page with information on closures/cancellations. You can also listen to the local radio station (WMPX -1490 AM) or MPS channel 98 (Charter Communications) for special announcements.

FERPA AND DIRECTORY INFORMATION NOTIFICATION

The Family Educational Rights and Privacy Act ("FERPA") affords guardians and students over 18 years of age ("eligible students") certain rights with respect to the student's education records.

These rights are outlined below:

1. The right to inspect and review the student's education records within 45 days of the day that Midland Public Schools receives a request for access. Guardians or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. 2. The right to request the amendment of the student's education records that the guardian or eligible student believes are inaccurate or misleading. Guardians or eligible students may ask Midland Public Schools to amend a record that they believe is inaccurate or misleading. If Midland Public Schools decide not to amend the record as requested by the guardian or eligible student, Midland Public Schools will notify the guardian or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the guardian or eligible student when notified of the right to a hearing.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, Midland Public Schools discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.
4. The right to refuse to permit Midland Public Schools to designate certain personally identifiable information about the student as directory information which is not subject to the above restrictions on disclosure. information and disclosed, the guardian or eligible student must request and complete a Request to Prevent Disclosure of Directory Information from the school principal and submit the completed form to the school principal no later than the 15th day of a school year. Please note that a request to block the designation of information as directory information will apply to all categories listed above and to all requests for directory information from within and outside the MidlandPublic 11 Schools community. This notification will remain in effect until the guardian or eligible student informs the school principal in writing to remove the block to designation and disclosure. 6. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Midland Public Schools to comply with the requirements of FERPA. FIRE AND NATURAL DISASTER PROCEDURE

Every school is responsible for having ten emergency plan drills per school year: two tornados, three lock down drills, and five fire drills.

High student performance is a shared responsibility of parents, the school, and the students. Our school/family compact has been developed to list shared expectations between the school and home. The home-school compact will be shared at parent teacher conferences and also sent home within the first week of each school year.

ILLNESS OR ACCIDENTS AT SCHOOL

If a student becomes ill or is injured at school, the guardians will be contacted and arrangements will be made for the student to be picked up from school. If guardians cannot

During the school year, the Midland Public Schools will conduct monthly inspections of all of its facilities in cooperation with Orkin Pest Control.. Records will be kept on site documenting pest sightings and the applications of any necessary pesticides. Any pesticide application will be conducted by licensed technicians following all federal and state safety guidelines.

LOST AND FOUND

Our lost and found articles are kept in the entryway for students- and parents/guardians to view as they enter the building. Articles may be reclaimed there and we encourage students and guardians to check this source regularly. If you do not find the article there, check with the office. Unclaimed articles are turned over to local charitable organizations several times per year.

LUNCH RECESS

Unless the weather is inclement or extremely cold, we will go outdoors for recess. This requires that each student come to school dressed for the weather. If medical reasons require your student to remain inside during recess, we ask that you send in a doctor's note. If the students are properly dressed for the weather, the benefits of going outdoors on a daily basis can aid the development of their resistance to the weather.

Students who have meetings at noon may not wander in the halls or classrooms. Students should use the bathroom (if necessary) prior to going to lunch/recess. Students wishing to leave the playground to use the bathroom must get permission/pass from the supervisor in charge. Students may not leave the school premises for any reason without permission. Guardians and staff members are encouraged to join this organization and to participate in its activities. Please contact the office if you would like more information.

SAFETY AND PARKING LOT PROCEDURES

Safety must be an important concern for every student and guardian. Traffic conditions at the hour of arrival and dismissal necessitate careful observation of rules for drivers, pedestrians, and bicycle riders. Students who walk to school must stay on the sidewalks and cross at the proper crosswalks. When crossing, always obey the instructions of the school crossing guard and safety and service team members. Students may not cross the parking lot without adult assistance. Drivers should not leave cars parked at the curb unattended. You must park in a designated parking spot if you need to leave your vehicle unattended. Please refer to the school website for additional information about pick-up and drop-off procedures.

SCHOOL HOURS

School hours are from 8:55 am- 3:55 pm. Please do not drop your student off before 8:40 am. Students are to leave the building immediately at the end of school, unless they have band/orchestra practice or some other adult supervised after-school activity.

SCHOOL OF CHOICE

Midland Public Schools offers, if space is available, guardians the opportunity to choose the schools they would like their student to attend. If guardians wish to select a school other than their home school, they must complete the School of Choice Application and submit it to the Administration Center, 600 E. Carpenter St., Midland. Guardians selecting an elementary

school other than their home school will need to provide their own transportation. Students living within that school's residential area will always be given first priority. Please check with the school office to confirm the date for the application deadline. The School of Choice program also extends to county schools.

SCHOOL PICTURES

In the fall, students are photographed for the yearbook. Guardians have the option to purchase a photo package, which includes a yearbook at that time. Yearbooks are printed and distributed near the end of the academic year. If you have objections to your student's picture being published in the school yearbook, please indicate that on the Media Release Form at the beginning of the year.

SIGNING YOUR STUDENT OUT OF SCHOOL EARLY

You must come to the school office to sign your student out. Please come prepared with your photo identification. The office staff will call your student down to meet you in the office. A student may not leave school prior to dismissal with anyone other than his/her guardians or emergency contacts, without written permission from his/her guardians. Please remind your student's emergency contact(s) to bring proper identification when picking up your student during the school day.

A student's individual rights must be protected. The rights of the student body and the school district must also be protected. Midland Public Schools' Code of Student Conduct is available on the MPS website at

STUDENT PICTURES FOR PUBLICATION IN THE MEDIA

During the course of the school year, occasions may arise when photographs of students may be taken for the Midland Daily News, school publications, school yearbook, the Plymouth website or the MPS website. STUDENT SUPPLIES

All supplies required for instructional purposes, with the exception of clothing and food, are provided by the school. This does not mean students cannot bring their own school supplies or donate supplies to the classroom. Students are asked to supply gym shoes and art shirts. Other items may be suggested by individual teachers, but are not required. Your student's teacher will provide a list of helpful supplies at the beginning of the school year.

THREAT ASSESSMENT TEAM

Each school has a threat assessment team that will be used to investigate threatening comments and communications between students.

If the Midland County Health Department determines that a student requires follow up treatment as a result of concerns from the hearing/vision screening, your student's

personal identifiable information will be provided to the Midland County Health Department. If you object to the release of your student's personal information, please contact the school office. The services of a hearing specialist are available through the Midland County Health Department. The health department also conducts vision and hearing testing as a prerequisite for admission to school. These services are available without charge.
