Vaccination Clinic at NCES next Wednesday: We are fortunate to be able to host a free vaccination clinic at NCES with Griffin Health for students ages 5-11 on Wednesday (November 17th) from 4-7 pm in the school gym. Note the following:

- You might consider printing the following sheet and bringing it completed to the clinic: [Pediatric Intake Form](#). You may also call the school office (860-824-5149) and we will send a blank form home with your child for you to complete prior to coming to the clinic. Forms will also be available at the clinic.
- A parent or guardian must accompany the child ages 5-11. The Pfizer vaccine will only be given to children who are ages 5-11. No other vaccines will be available and no other age groups will be vaccinated.
- Enter and exit the school through the gym door. Remain in the gym throughout the vaccination process.
- A clinic for the second dose has been set for Wednesday, December 8th, from 4-7 pm also in the school gym.

The Town is also sponsoring a clinic solely for children ages 5-11 next Sunday, November 21st, from 10am-4pm in the Town Hall. The clinic for the second dose will be December 12th, also from 10am-4pm.

Flying Cloud Institute: Students who attended the free Flying Cloud Institute program enjoyed the afternoon yesterday by creating glow-in-the-dark slime and catapults, among other activities. We have a grant to host another afternoon with different, fun, and free activities on the afternoon of May 11th, another early dismissal day. I expect that once again all of the seats will be reserved. Look for the brochure in the spring.

Library News: I am pleased to announce that we will be offering parents the option of borrowing books from our school library. Parents may borrow books through their student's library account. Please click here for directions on accessing the library catalog: [Book Borrowing](#). Happy Reading!
