Friday during Early Release all of SAU 7 will be in Pittsburg to discuss how to handle students with Autism Snow sculptures for Kiwanis will occur

Snow and shine occurred last week for snowmobiles and Kiwanis sponsored this. They received a trophy and \$100.

Last Thursday there was a drop everything and color and we created a mural with one of these posters that says "You Belong Here". These will be on each floor.

Superintendent Report: Dana Hilliard

February Report – Official letter from USDOE regarding Title IX and the 2020 regulations must remain. The 2024 ones we already approved must not be in place. At some point we will bring it to the board to repeal the 2024 and keep the 2020 ones.

Information on who your Reps and Senators are. Please reach out to them for assistance in achieving additional education funding for our north country schools. HB 283 had over 2,000 people testify against this. The bill reduces the graduation requirements and doesn't require language, performing arts, arts education, music, civics, government, US History, or geography to be taught in schools.

If DOE disbands more than likely they would fall under other departments and some at the state level as well.
