

Southland Academy

Bass Fishing Team 6th -12th Grades

The Southland fishing team is a great way to get connected with other students that love to fish! The team has won 3 State Championship! We had a senior awarded a fishing scholarship and has joined the college bass fishing team. Joining the fishing team may open opportunities for you too.

If your child is interested in joining the fishing team or looking for a fishing partner to join the team, please answer the questions below. Have your child turn this form in to the main office by **May 9, 2025**. If you are unsure and would like more information, please fill out the student's name and your contact information only.

We will have a fishing team meeting soon. The school will email the meeting information and post the information on social media. You are welcome to call the main office, 229-924-4406, if you have any questions.

Please answer the questions below:
