Our Learning

Reading: This week we will begin a unit on rhyming full of different rhyming activities to start our literacy journey for the year.

Math: We will continue our number of the day study working within 10.

Art: This week we will be reading a few classics and doing various types of art projects to go along with our reading. They will explore painting in a new way, collage work, and building a tree with their names! It will be fun!

Teacher's Note

- The kinders have done a great job learning routines and procedures! I am very impressed by them!
- Reminder of extra PE this Friday the 5th.
