

Health Inspections for 2021-2022 School Year

The National School Lunch Program requires that each school have 2 health inspections each school year. The SCS kitchens are inspected by the Sumter County Department of Public Health. We will update inspections as soon as possible once they are completed. If you would like more information, please visit the State of Georgia Board of Health @ <https://dph.georgia.gov/environmental-health/food-service/environmental-health-inspections>.

School	Inspection 1	Inspection 2
Sumter County Primary School	100	100
