

Teacher Survey Results for Dekalb County - Northside Elementary

Of the 193 students who attended your program at least 1 hour during Program Year 2022-2023, teachers have completed surveys for 113 students.

RESPONSE RATE: 58.5% Response rate across all LEAP Extended Learning Programs in Tennessee: 42.6%

The following percentages are from ALL teachers' responses for students who participated in your program for at least 1 hour. Responses in GREEN reflect positive responses and those that appear in RED reflect more negative perceptions of program outcomes. You would want to see the largest percentages in the GREEN column and the lowest in the RED column. Large percentages in WHITE column across items may be of concern as they may indicate large proportion of students enrolled not needing improvement in areas LEAP programs are geared to target.
